I DEDICATE THIS BOOK TO MY INTERNS, all of them, the college students who work for free. They bring an infusion of energy, creativity, and excitement to my radio family and do a lot of the dirty work that isn't too glamorous. They deserve a lot of credit and seldom get it. A special debt of gratitude to Steve Grillo. For the last four years he has been my intern doing every lousy, menial task for me for free, including getting my meals and opening the door to the building every morning at five A.M. He's never late, he never complains, and he always has a smile on his face.

PERSONAL: I would like to thank the Miss America Pageant for naming me Miss America 1998. There were many times over the last few months that I doubted myself, for many of the other girls are so talented and poised that I thought I didn't stand a chance. I was devastated that I was voted least popular by the other contestants, but I moved on the next. Now I know how Vanessa Williams felt when everyone turned on her. A special thank you to Ms. Williams, who encouraged me to "stick with it" even after I was disqualified during the talent competition for arriving on the stage with the Sun with my magnum. I learned I had to work it out. Vanessa and to

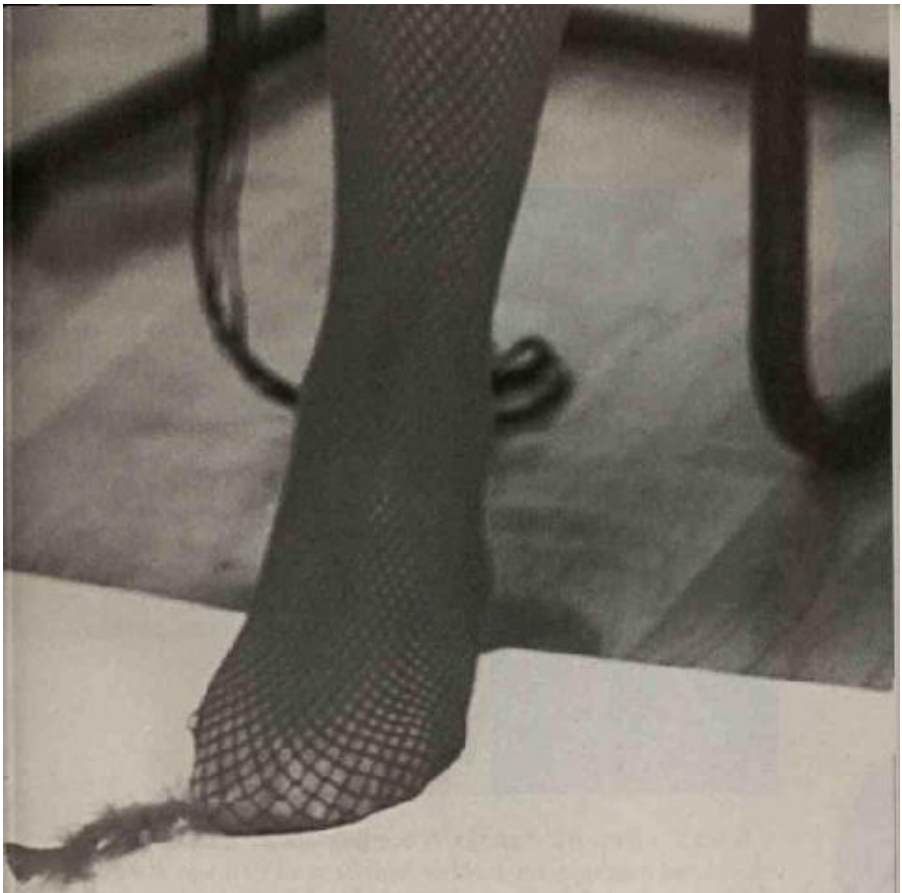
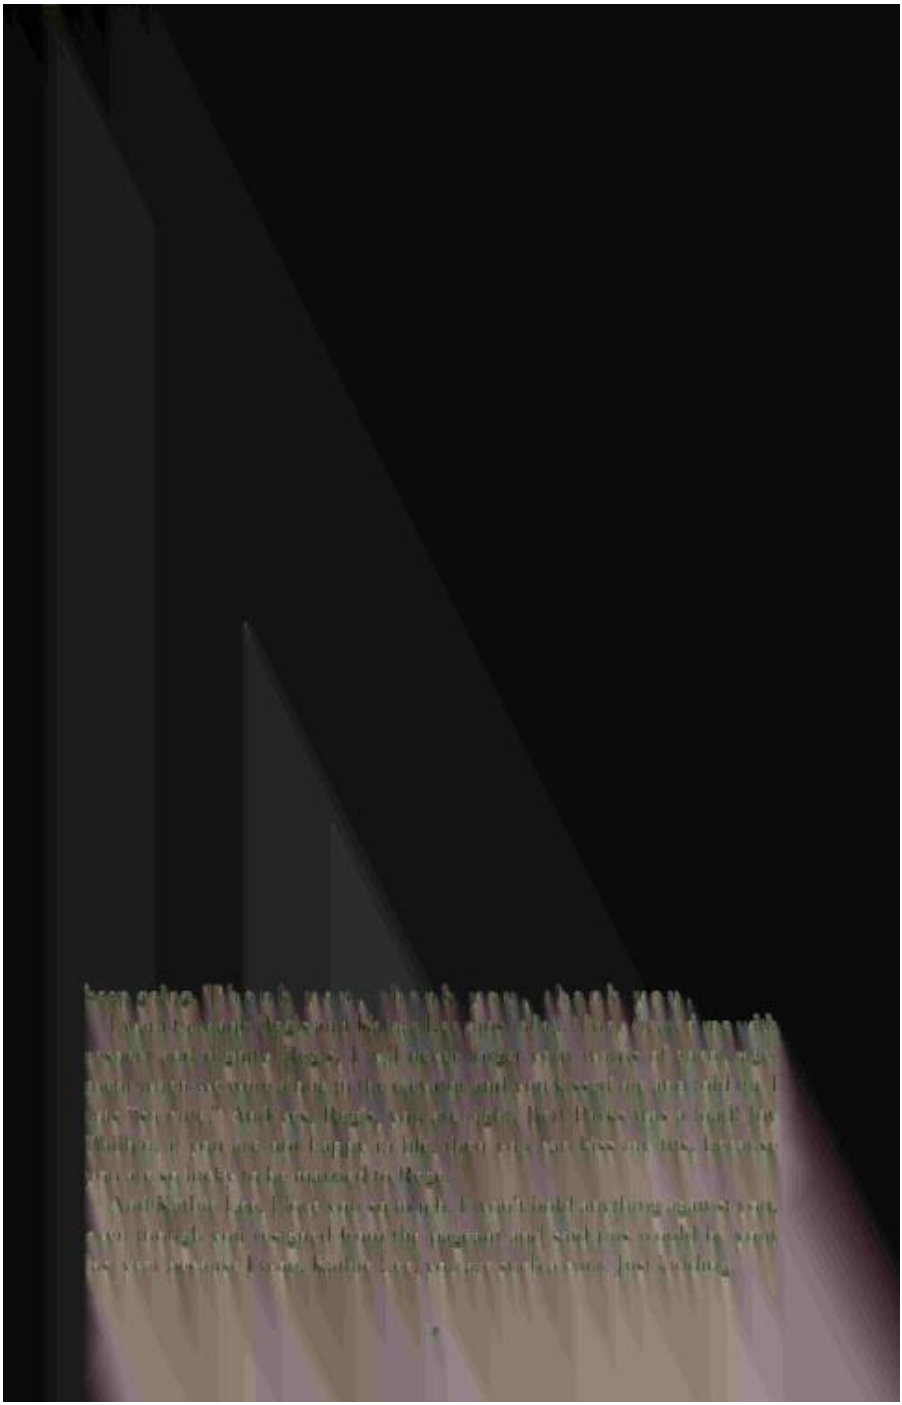
FIRST OF ALL, I would like to thank the Miss America Pageant for running our Miss America Little. They were [illegible] the best few months that I [illegible] as well. Because of the [illegible] girls, we [illegible] and [illegible] I thought I didn't [illegible] I was [illegible] the [illegible] and [illegible] in the [illegible] and I [illegible] in the [illegible]. Now I know how [illegible] Williams felt when [illegible] moment of [illegible]. A special thank you to Ms. Williams, who [illegible] me to work with [illegible] I was [illegible] that during the [illegible] to [illegible] all the [illegible] I figured I [illegible] it, but [illegible]



keep going. Thank you, thank you, thank you.

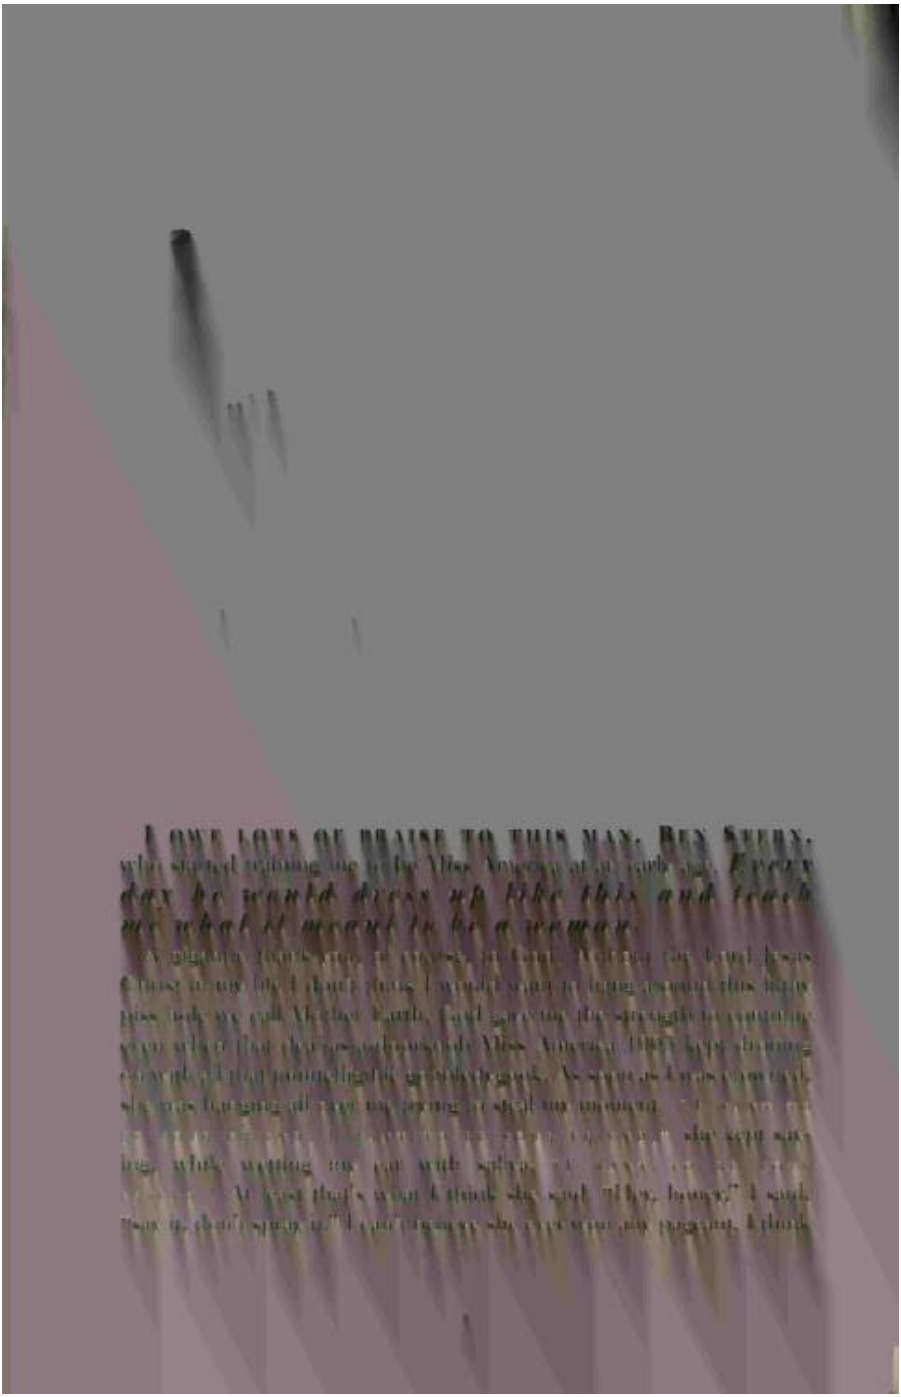
I begin to thank Regis and Kathie Lee most of all. They treated me with respect and dignity. Regis, I will never forget your words of encouragement when we were alone in the elevator and you kissed me and said that I was "so cute." And you, Regis, you are right. Best Picture was a hoot! Joy Philbin, if you are not happy in life, then you may kill my dog, because you are so lucky to be married to Regis.

And Kathie Lee, I love you so much. I wouldn't hold anything against you, even though you snagged from the pageant and and that would be wrong just for you because I love Kathie Lee, you are such a sweet, just lovely.



I owe this to a man on this [illegible], Ben Stern, who used to [illegible] Miss [illegible] [illegible]. ***Every day he would dress up like this and teach me what it meant to be a woman.***

A superior [illegible], of course, is God. Without the Lord Jesus Christ in my life I don't think I would want to [illegible] around the little pan [illegible] we call Mother Earth. I will give the [illegible] to [illegible] [illegible] that [illegible] Miss America. I feel [illegible] [illegible] with all the [illegible] girls [illegible]. As [illegible] I was [illegible] [illegible] [illegible]



I OWE LOTS OF PRAISE TO THIS MAN, BEN STEINY, who started writing me in the Miss America at 16 years old. *Every day he would dress up like this and teach me what it meant to be a woman.*

the judges just felt bad for her because she was handicapped. Some handicap. All I know is, she can hear good enough to do that klutzy ballet routine. Sorry if I sound cruel, but **I vow that this Miss America will always tell it like it is, baby.**

So many people put in endless hours in improving my physical beauty and conditioning me for the pageant. My plastic surgeon, Dr. Heywood Jablowme. My wonderful dentist, Matthew Kaufman, who made my teeth shiny so these other bitches looked like the wicked witches they truly are. I'd like to thank Jon Basile, my physical trainer, who taught me that you can have an attractive bust without implants. It's true, girls! And, last but not least, my Man Friday, Ralph Cirella, deserves special kudos for blowing my hair and waxing my chest hair.

O U C H !

Anyway, I'm looking forward to all of my duties as the reigning Miss America, and I hope to see all of you at a mall appearance real soon.

On the weekends we couldn't go dates, so all we did was play cards, eat pizza, smoke cigars, and talk about how fucked up all girls were because they wouldn't power with great guys like us.

Our cop was that if girls could only look beyond the fact that we didn't have good looks and act that we had great personalities, they would fall in love with us. THE TRUTH OF THE MATTER WAS WE HAD REALLY BAD PERSONALITIES IN ADDITION TO OUR UGLY FACES. Does the [illegible] called us losers. And we were.

Lunch was [illegible] for us guys. I [illegible] we had [illegible] girls would [illegible] I was [illegible] to be [illegible] to [illegible] worked.

On the weekends we couldn't get dates, so all we did was play cards, eat pizza, smoke cigars, and talk about how the cute girls were fantasies, they wouldn't go out with great guys like us.

The sad part was that it didn't could turn back in spite the fact that we didn't have good looks and say that we just great personalities, they wouldn't be interested in us. **THE TRUTH OF THE MATTER WAS WE HAD REALLY BAD PERSONALITIES IN ADDITION TO OUR UGLY FACES.** Even the bitter rejection we faced. Nothing worked.

I could care about pretty girls. I was too busy growing my hair long so girls would think I was a strong, decent, serious guy who wanted to have sex with me. Nothing worked.

One Friday night during our pathetic card game we learned that the phone company had a promotion with one of radio hosts. Through some unknown power it was possible to call one number where hundreds of people were on a party line.

What a great way to pick up chicks! Now they wouldn't see us, they would only hear our natural love and great personalities. My friends also had an office here [illegible] in the card game but we never [illegible] with all the guys really going [illegible].

Now that we were about to make contact with females, we were [illegible]. The more we [illegible] we were [illegible] [illegible] where we [illegible] we were going to get [illegible]. We [illegible].

We got to Bill's house and, sure enough, the phone line worked. There were hundreds of girls and guys all talking at once—gibberish, all yelling at each other. It was like Tower of Babel.

Bill and I started screaming our names out.

"Howard!"

"Bill!"

"Howard!"

"Bill!"

"HOWARD! BILL! HOWARD! BILL! HOWARD! BILL!"

[illegible] hundreds of people screaming our name. We could hear them saying, "Here is your invitation, Howard Bill."

It was hard to make out their voices. Were they girls? Were they [illegible]? **Who could tell? Who cared?**

We were [illegible] in a manner that [illegible] [illegible]. Who could tell that they were [illegible] [illegible] [illegible] [illegible] Hell's [illegible]?

Sure enough, [illegible] there [illegible] the two girls [illegible] called us. [illegible] [illegible] [illegible].

Now I'[illegible] [illegible] to [illegible] [illegible] girls than I had [illegible] [illegible] [illegible].

I [illegible] Bill that we work out elaborate hand signals so that we could speak a secret language that would say "Wide like the sun on the right—I get the sun on the left."

[illegible] the high school looks still even a night.

[illegible]

What were we thinking? We're sue to be our [illegible] mind standing around a high school like this. There could be a bunch of guys coming to get us, which beat us up and take our money. We're going to get our asses kicked. Now we were scared. Finally it dawned on us what assholes we were. Of course these girls weren't going to show up. We were just [illegible] guys with lust [illegible] sandbox.

Then the baby came. It was unexpected. I had given up hope.

Alison announced she was having a baby. The baby has a mole. The mole is same size, just here. **Take the baby to Mars. Get the FUCK out.**

The scene: Alison and I in the shower. I am naked and [illegible] the hour shower. Hours shower. Actual [illegible]. Eventually had a baby.

I am naked and [illegible] all my clothes. I am naked in [illegible] naked, just as the same time I accept [illegible] my [illegible] the scene. Alison [illegible] the door. Now, this is good. I've got a really nice home young.

Then she calls back. She calls my cards short. They're like a mirror. And I didn't want to bring my spare out here again. That's really important to me.

So I find the situation.

I wanted to be over all this romance sex, but damn it, I adore Lynn Hatcher. I wanted to see what all the fuss was about. I chased her down and I didn't even mind that she was a little bit of a bitch.

Next was a **Ponytail** who told me she looked like Kate Hatcher from *Lois and Clark*. She sounded like one too, one of those sweet little girls, but when we got naked she was a little bitch. And then while I'm trying to get her to come she keeps telling me that I suck. I was pretty sure I was doing everything right, but maybe I was just hallucinating. I was pretty sure she looked like Winona Ryder in *Mermaids*.

Baby was the sex queen of Boston. She said she was five foot three, weighed 110, and was 34-24-34. She claimed she looked like Lorraine Bracco from *Northern Exposure*, which is a lie. I don't care how sexy Cicely is, it isn't worth being stuck in a cabin in Alaska and trying to sleep with an obnoxious white-haired bigoted architect.

But even the sexy Lorraine Bracco wouldn't want to sit in my Hollywood apartment for two hours and listen to me whine about how she was rejecting me. I'd rather sleep with a

Holy shit! Have I gone off the deep end or what? Somebody send over Dr. Kevorkian. I think it's time for me to quietly hook up to the suicide machine. Anyway, my girl was getting into it, and now I was gonna eat her smelly pussy and give her a real thrill.

CAPTAINJAPAN: I'm gently teasing you with my tongue.

RUBBERBABY: Oooohhh

CAPTAINJAPAN: And then

CAPTAINJAPAN: On your pussy lips

CAPTAINJAPAN: Your clit would

CAPTAINJAPAN: Ache

RUBBERBABY: Pushing out to meet your face...

CAPTAINJAPAN: And then I would spread your lips

RUBBERBABY: Want you in my pussy...

CAPTAINJAPAN: And run my tongue along the outside

CAPTAINJAPAN: And up to your aching clit

CAPTAINJAPAN: Does your clit ache?

RUBBERBABY: Wriggling under your touch

CAPTAINJAPAN: Tell me what you're doing

RUBBERBABY: Squirming

CAPTAINJAPAN: Do you want more

RUBBERBABY: Pushing against the vibrator

RUBBERBABY: Imagining you

CAPTAINJAPAN: Are you very wet?

RUBBERBABY: I am soaked

CAPTAINJAPAN: Do you want me inside of you?

RUBBERBABY: I would love that

CAPTAINJAPAN: Ask me

RUBBERBABY: Oh god

CAPTAINJAPAN: Me

Hey, it's not easy to type with one hand and beat your meat with the other.

CAPTAINJAPAN: Ask me

RUBBERBABY: Fuck me please

CAPTAINJAPAN: Good

RUBBERBABY: Fuck me

CAPTAINJAPAN: But not so fast

CAPTAINJAPAN: First I take my cock and run it along your breast

I read this one in one of my wife's women's magazines. Cock along the breast, good one. I'm pulling out all the ammunition. The babes like a lot of teasing. What the fuck, I had a few extra minutes to spare. I'd tease her some more before I fucked her.

CAPTAINJAPAN: And then I run my cock down your stomach

RUBBERBABY: Mmmmm god that drives me crazy

CAPTAINJAPAN: And just outside your pussy lips

RUBBERBABY: Getting close to cuming

CAPTAINJAPAN: And the tip of my cock slowly inside

CAPTAINJAPAN: Just the tip

RUBBERBABY: Taking vibrator away

CAPTAINJAPAN: I'm so hard and swollen

RUBBERBABY: Or I will cum now

I could tell she was busy manipulating herself because her replies would take longer and longer to come back on my screen.

RUBBERBABY: Mmmmm

See what I mean?

CAPTAINJAPAN: Are you using your fingers on yourself?

RUBBERBABY: Yes I'm finger fucking myself.

CAPTAINJAPAN: Take your shirt off.

RUBBERBABY: Thinking of you. . .

CAPTAINJAPAN: Is your shirt off?

RUBBERBABY: No

CAPTAINJAPAN: Take it off.

Damn I'm forceful. Women like that, I guess.

RUBBERBABY: Off

CAPTAINJAPAN: Good

CAPTAINJAPAN: Rub your nipple with one hand and finger yourself with the other

CAPTAINJAPAN: Are you doing that?

RUBBERBABY: Can't type then

CAPTAINJAPAN: Just briefly

RUBBERBABY: Okay

CAPTAINJAPAN: The head of my cock is in you

CAPTAINJAPAN: And I tease you with it

CAPTAINJAPAN: I rub your clit with my cock

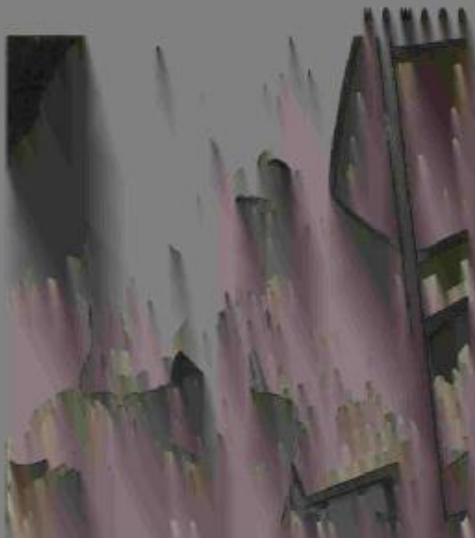
RUBBERBABY: That is sooo hot

CAPTAINJAPAN: And I just rock back and forth on your clit

CAPTAINJAPAN: And then slide down your lips

CAPTAINJAPAN: And the head is inserted again

CAPTAINJAPAN: Slow



CARTAGINIARAN: Very [illegible]

CARTAGINIARAN: Ex [illegible]

CARTAGINIARAN: And out [illegible]

[illegible]

BURBERRAN: Mmm

Even her Mamma were getting smaller. She was far, far in the distance... Lucan Cartaginiaran.

CARTAGINIARAN: Do you wear sore [illegible]

BURBERRAN: Yes

BURBERRAN: YES

CARTAGINIARAN: Put on the vibrator

BURBERRAN: Suck me

BURBERRAN: Grace come [illegible] but gonna take [illegible]

CARTAGINIARAN: I sleepy

CARTAGINIARAN: So [illegible]

CARTAGINIARAN: A little rest the head

CARTAGINIARAN: And keep [illegible] out

CARTAGINIARAN: I give you a little [illegible] about [illegible]

CARTAGINIARAN: Ex and out

CARTAGINIARAN: Nerpes are [illegible] a little [illegible]

CARTAGINIARAN: Tits [illegible]

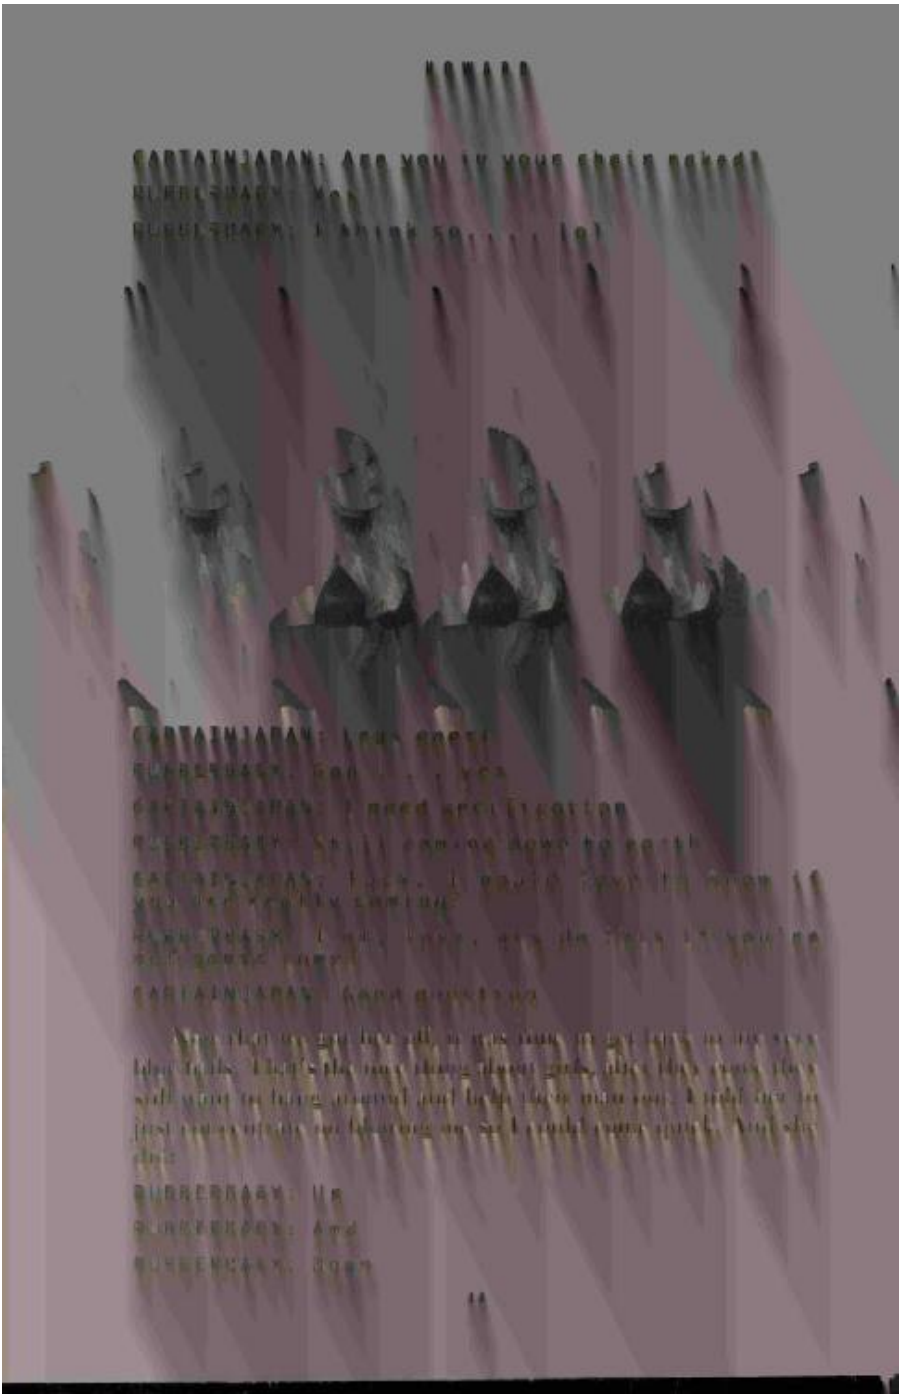
BURBERRAN: Oh [illegible]

CARTAGINIARAN: Cumin

CAPTAINJAPAN: Because you are ready for more
CAPTAINJAPAN: Now I go deeper
CAPTAINJAPAN: My shaft hard
CAPTAINJAPAN: All the way in
CAPTAINJAPAN: Slowly
RUBBERBABY: Oh
CAPTAINJAPAN: My balls against your ass
CAPTAINJAPAN: Deep inside your pussy
CAPTAINJAPAN: Are you coming?
RUBBERBABY: Squeezing you with my pussy
CAPTAINJAPAN: You are so tight
CAPTAINJAPAN: And warm
RUBBERBABY: Can't hold out . . .
CAPTAINJAPAN: My cock is swelling
RUBBERBABY: Here
CAPTAINJAPAN: Come
RUBBERBABY: It cums
CAPTAINJAPAN: Cum
RUBBERBABY: OH
RUBBERBABY: ;lds

And then the screen went silent for a good two minutes. I think I fuckin' killed her.

CAPTAINJAPAN: Are you still with me?
RUBBERBABY: Oh baby. . .
RUBBERBABY: Yeah . . . here



CAPTAINJABAN: Are you in your chair naked?

BURBERRAAX: Yes

BURBERRAAX: I shiver so.... [o]

CAPTAINJABAN: Lou, good!

BURBERRAAX: God ... yes

CAPTAINJABAN: I need gratification

BURBERRAAX: Still coming down to earth

CAPTAINJABAN: Fuck. I wish you to cum if you are really coming

BURBERRAAX: I am. Cum, cum in fact if you're not gonna cum!

CAPTAINJABAN: Good question

[illegible]

BURBERRAAX: Um

BURBERRAAX: And

BURBERRAAX: Soon

The Moodiest was on the up to tell Robin about my new Probity girl. I told her everything we did.

[illegible] [illegible] [illegible] [

[illegible] I didn't make sense [illegible] [illegible] [illegible]

Listen: Jackie, and Brad were all having a field day with me. The mother of the matter is, she wasn't a bad-looking woman at all. Compared to most of the housewives you see out and around, she was doing pretty good. But she certainly wasn't sick of attention, so anywhere she shows up, she gets it. Fortune Fate is dry.

"Would you have sex with her again?" Jackie asked, knowing full well that I was very married.

"Don't pressure me, Robin!" was all I could manage to say at the moment.

RICKI LAKE

PEPPEI

And what about Peppei, the Tom Thumbs look-alike? I was interested to see how he would react to the news that he had probably fathered an entire tribe. Or the studio. When the big day arrived we rolled his ass into the studio. My friends said, he was to dull for the Fuckers. SHE LOOKED LIKE RICKI LAKE.

To make matters worse, my first girlfriend, a youngster, the woman who had taken my virginity, showed up to make it down to the studio where she was a producer. Herself, she was just hope that good-looking guy she met at the Fuckers holiday bash.

ROBIN

Robin, Jackie, and Fred were all having a field day with me. The trouble with marriage is, she wasn't a cute-looking woman at all. Compared to most of the homemakers she was stunning, actually. She was tiny, pretty, sweet, but she certainly wasn't pick-of-the-litter material for a guy who always strutted and *Walked* like a stud.

"Would you like to see my wedding ring?" Robin asked, sounding just well enough to assume a pose.

"Don't pressure me, Robin" was all I could come up with in the moment.

RICKI LAKE

BURGET

And what about Burget, the Fred Hunter wannabe? I was convinced she was going into a knockout because she was pretty, tanned to every shade of the spectrum. When the leg she [illegible] called her arm the sister. My brother said, "She was [illegible] by Ted Hunter. **SHE LOOKED LIKE RICKI LAKE.**

[illegible] INTERVIEW

[illegible] would have to have [illegible] to an all-time low to start crawling underneath my rock, and Michael had pretty much hit rock bottom. Child molestation charges! The only thing worse is finding out the *National Enquirer* just got copies of you banging your brother and not only did you share the blood but you broke his arm. Let's face it, when all else fails why not go to the mandate-tweaks, Howard Stern. Of course, he always risks because Howard Stern can help you but he can also stomp you and write about your [illegible] in his book.

My return [illegible] have [illegible] of talk show [illegible] the [illegible] that have come to me where their ratings have disappointed and they needed a [illegible] people to [illegible] a [illegible] performance. So Michael Jackson, the disgraced superstar was really [illegible] and so was I. I mean, what else did I have to do?

LIVE FROM THE CHEVY CHASE THEATRE
IT'S THE HOWARD STERN SHOW

The week every hippie dream's come true was when I wrote a pot-tinted book [illegible] my career. [illegible] to [illegible] were actively [illegible] for [illegible] programs. About twice a year they would [illegible] to have me [illegible] television, especially after I do something spectacular. When my first book became the fastest selling book in the history of Simon & Schuster, I began to [illegible] more crazy talk, creative and television type. Suddenly, I was a mainstream performer who had crossed over to the mainstream. I was home free. Immediately, they would all forget about my more controversial material and the fact that I could be real dangerous as a [illegible]. Hey, let's face it, I've sold a lot of product. If you totaled all the revenue I've generated on radio, books, video, and audio tapes, it would be a larger gross than *E.T.*, *Jaws*, or *Indiana Jones*. Of course, Hollywood really forgets this fact except when it's [illegible] them right in their stupid faces.

So, since I had written a best-seller and my old friends at *The Tonight Show* immediately needed me. It was a way [illegible] a deal with me. The first time they approached me was years ago when

[illegible]

[illegible]

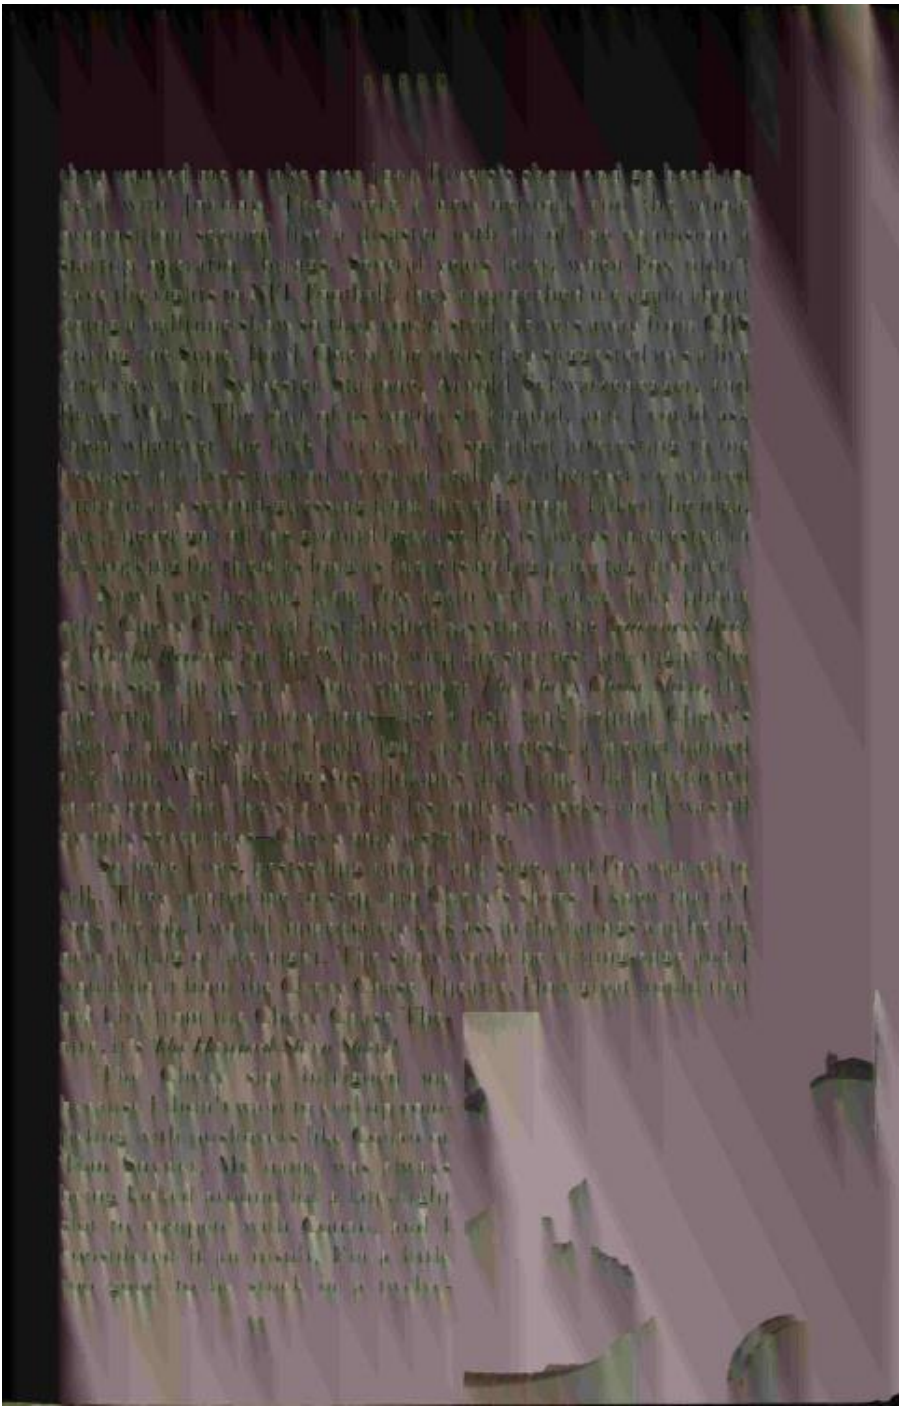
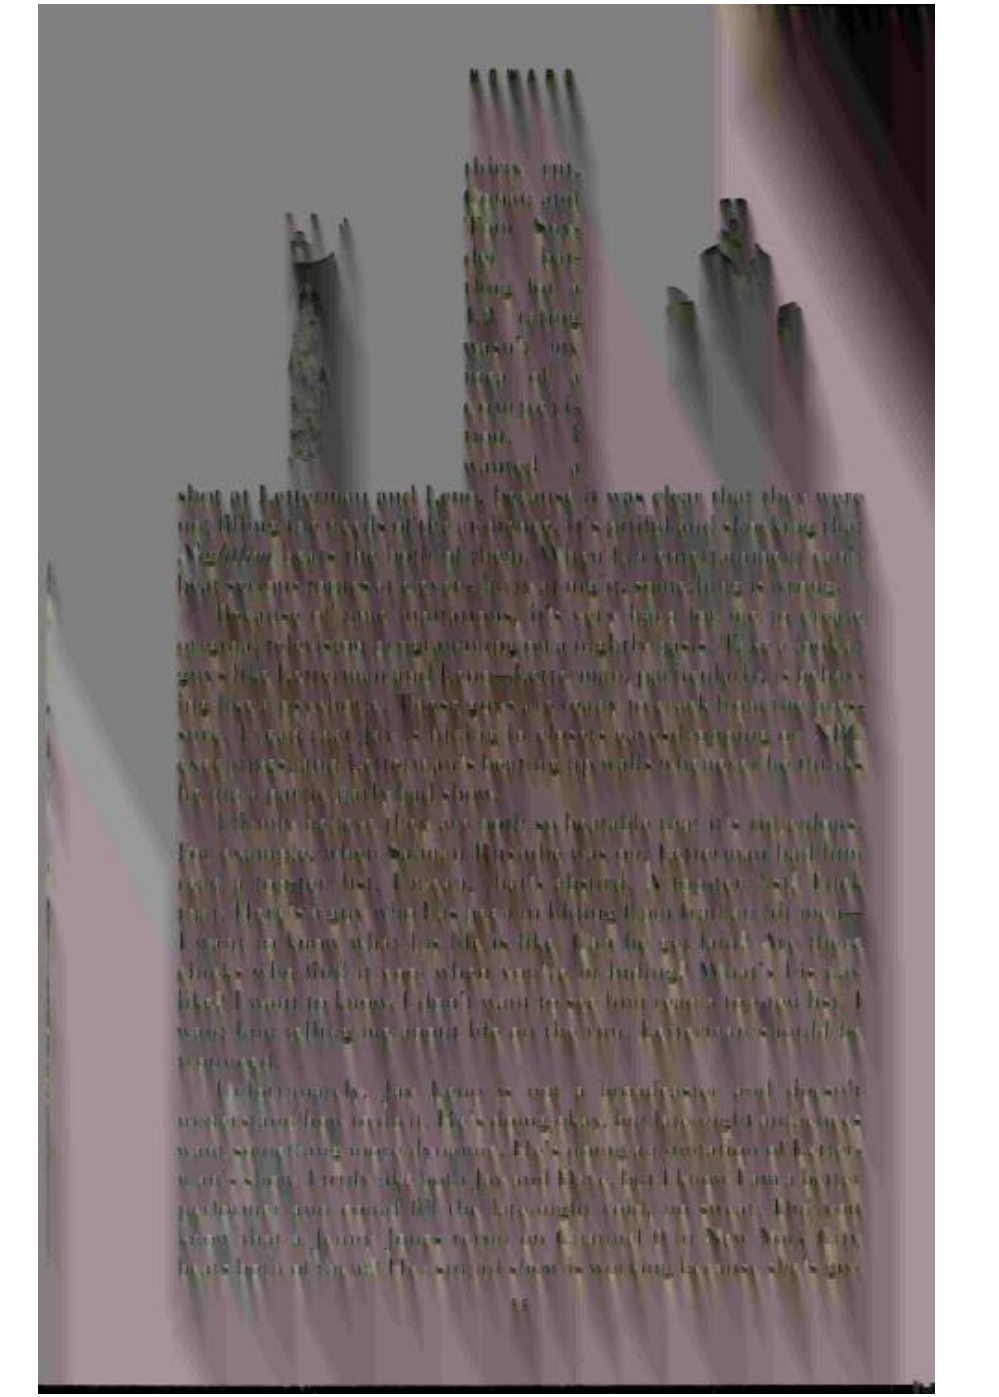
[illegible]





shot at Letterman and Leno, because it was clear that they were not filling my crystal ball anymore. It's painful and shocking that *Nightline* leads the ratings. When Ted Koppel announced that he was retiring, it was a great loss to all of us who know how to write.

Because of your importance, it's very hard for me to watch television programming on a nightly basis. I love Jay's guests but I miss Letterman and Leno—Letterman, particularly, because he's been my friend for a long time. When you are away from the television screen, I can't tell you how it's helping to have your presence on NBC every night, and Letterman's hearing my pleas to return to the studio for the sports and talk shows.

I think it's great that you are considering your retirement. For example, when Sammy Davis Jr. was on, Letterman had him read a number that Letterman didn't choose. A number that Letterman thought was funny was not in Sammy's opinion. Sammy wanted to know what he was in for. Letterman said, "Read it." Sammy said, "Read it? Read it what where you're supposed to be looking?" What's the joke? I want to know. I don't want to say how you're supposed to. I want to do anything my mind tells me to do. Letterman should be removed.

Unfortunately, Jay Leno is not a spontaneous and charismatic interviewer like you are. He's strong as hell, but he might not be as good at comedy as you are. He's strong as a comedian and he's a great actor. I really like Jay and I love Jay, but I know I am going to miss you and miss the late night talk show. I don't know that a Leno fan is going to be as loyal to New New Leno as he is to Old Leno. The small talk is meaningless when she's gone.

[illegible]

[illegible]

[illegible]

guess word got to Rupert Murdoch that I wasn't jumping at the last might offer and he summoned me and my agent. I was feeling quite up to the intended offers in contrast to the last time I was there, so I said,

I forget Murdoch's reply, it was not that interesting, but he was anxious to know, I liked that. After a great lunch, he was charming and generous as ever—I talk about the Australian media—I turned to my agent Mr. Murdoch's question: If I had something on the air that was competitive to Fox, to compete with the Fox Network, would I consider it? I said, I'd stick by my word, I'd stick to my contract with Murdoch and explained that when my deals come up, the judge and jury [illegible] I said, I don't [illegible] anything on air currently, it may be [illegible] enough. Well, we hung in there while the gang was [illegible] Murdoch [illegible] of a [illegible] in other [illegible] he said, "Well, [illegible]."

Bingo, that was the right answer.

But it didn't [illegible] I didn't believe him, I don't believe anyone.

I was big and everyone was coming at me. Nobody was [illegible] in [illegible] time, [illegible] time, [illegible], [illegible]. Murdoch [illegible] and I got [illegible] and we [illegible] for [illegible] a few months with [illegible] and [illegible]. [illegible] the [illegible] [illegible] [illegible] [illegible] I know why they did it, I don't know, they're thinking that if I am [illegible] they can [illegible] and [illegible] Murdoch [illegible] I said, "When I start to get things that don't [illegible] expect [illegible] and the [illegible] [illegible] [illegible] [illegible]." He [illegible] said, "Yes."

I didn't believe him, either.

Now it was Ellen and Dave and Stephen's turn. I guess I always thought I'd [illegible] and Ellen would come to me and offer me the [illegible] [illegible]. I'd tell Ellen I'd [illegible] [illegible] and [illegible] [illegible]. Any [illegible] would tell you, [illegible] [illegible] that if you have a [illegible] [illegible] that is really [illegible] and [illegible] [illegible] [illegible] [illegible]

"No weight [illegible]? Sharp boy? Doesn't a girl?"

She hung up on me. These Britishers no sense of humour.

So I really wasn't surprised when Reuter announced that Michael Jackson had been accused of child molestation and that the L.A. police department was investigating the charges. My

First reaction was that this guy was incredible since for a [illegible] surgeon. After all, we were facing Michael Jackson or Macaulay Culkin, say anything about being professional. But if you're an [illegible] planet looking such a [illegible] in a hospital, [illegible] [illegible] interested, don't look a gift horse in the mouth.

Before there's a [illegible] that the full name of Michael Jackson's [illegible] was the Neverland Valley Ranch, Ltd. Hence:

"Hardly," I commented.

"I like to bring the boys here and we watch movies," I said, indicating Michael's [illegible].

"Where do you watch the movies?" I asked, giving the gaze of the D.A. who sees.

"Yes, I build a special [illegible] for the boys to watch the movies in, [illegible] they're sick."

"Mr. Jackson, the jury is [illegible] boys."

"But they were sick."

Everybody started getting into the act. Lawyers, banks, lawyers, more lawyers, guards all endeavored to repair that Michael had a business for sleepovers. **KATONA** got into the act again, revealing on an earlier that Michael kept secret young boys' pictures. She had read Le Bard in chapter that Michael wrote that."

By the middle of September 1993, the kid had filed a civil suit against Michael, alleging molestation that included rape and mental cruelty.

"Enough, boys, to get," I remembered. "This is turning into rape and a horror story. The guy which's a lot on to all children, to do the together. I wouldn't spend five minutes with kids. He needs a professional, psych, not to be with them."

Even Dave McGuinness, who doesn't mention a bit song in everyday, agreed his case. "Well, at least it doesn't that one wife of his, Lisa, the veggie. Can you believe that marriage has stayed? She must be tied up every night and lock him up the ass and spank." But Dave McGuinness says he doesn't think Michael Jackson is capable of child molestation.

"Why doesn't he have his own children with Lisa?" I asked the wife, who looked like a rich.

After paying visits to Neverland and his parents' home, Michael remained in seclusion in Mexico. There that other pulled a mental stability. I decided I'd be the more with him.

[illegible] SOME OF THE BEST [illegible] MICHAEL [illegible] WANTED BRING A CLOSE SOCIETY.

Once the [illegible], Michael made a [illegible] statement that he was [illegible] to [illegible] and he [illegible] week [illegible] [illegible].

[illegible] [illegible] [illegible] [

I WILL NOW SHARE THE ENGINE OF MY CAMPUS AND PLANS SO THAT I CAN LEAVE THE COUNTRY WITHOUT BEING DETENTED. DO I HAVE ANY CHILDREN?

LaToya, shut your big

black mouth."

When Michael himself put the press, it was an exclusive, compared to my statement.

After his statement, Michael said, "Let me clarify." We opened our New Year's Eve Pay-Per-View Program with a skit featuring Michael Jackson and one of his little friends, played by a midget.

We had an announcer do a disclaimer:

NOW I AM TELLING THE TRUTH. NUMBER ONE, I'D LIKE TO SAY TO MY SISTER LATOYA, "SHUT YOUR BIG BLACK MOUTH UNTIL THAT [illegible] OF YOURS." NUMBER ONE, I AM INNOCENT. NUMBER TWO, I AM A GENTLEMAN BOY. NUMBER THREE, I'M NOT GUILTY. NUMBER FOUR, I NEED A SIX-YEAR-OLD TO FRENCH KISS—JUST KIDDING. LaToya, shut your big black mouth."

When Michael Jackson's sister LaToya was asked to comment on the allegations,

"Why do [illegible] Michael and how [illegible] my church. My [illegible] New Mexico [illegible] President Ronald Reagan [illegible] meeting Michael Jackson [illegible] the high [illegible], [illegible] a musical.

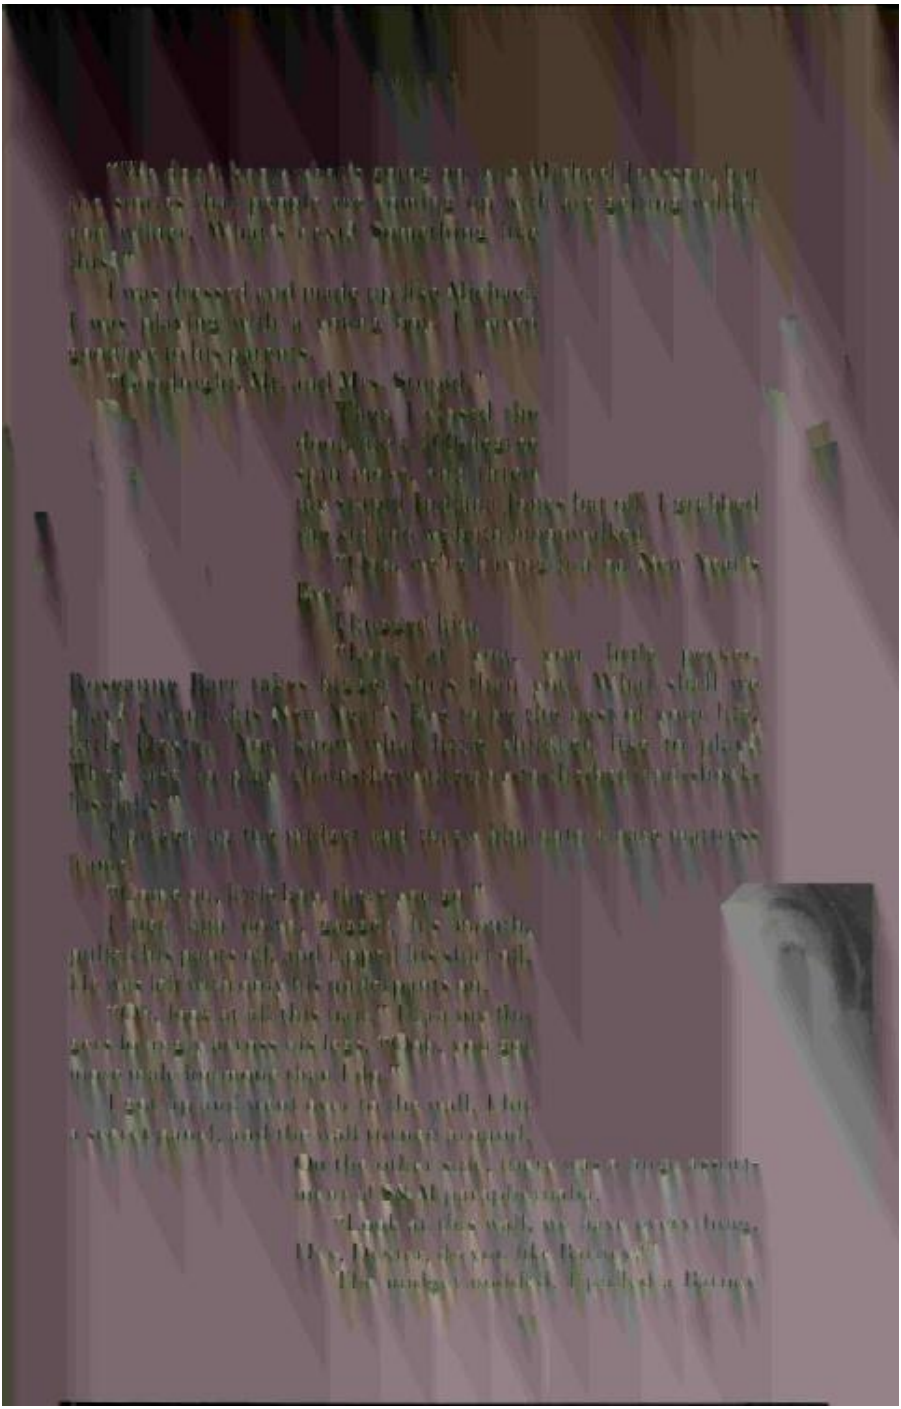
On the other side, there was a huge velvet medical S&M gynecological table.

"Look at this wall, we have everything. Hey, Desire, do you like Barney?"

The model nodded. I pulled a Barney



doll off the wall. I walked back and began stroking its face with my cell.

"Now like this, sister. He's going to feel real good when I SHOVE HIM UP SOME ASS!"

I removed the doll into the rear. Then I helped myself to a few more choice videos.

"They needed some fun to make friends with Mr. Negative and Mr. Dirty."

The manager's eyes widened and he shook his head no. I reached for more video cases and then stopped.

"Oh. Where are your kids on ass?" I said as I removed the videos near his counter. His whole body began jerking. Suddenly, his pectorals walked out.

"What is going on here?" his mother screamed.

"Kids, uh, uh, well I was just writing your mother up. . . ."

I did some Kung Fu special effects moves with my hands and suddenly a black magically materialized.

"Hey, there sound like clerks." I handed them the check. The manager stuck it down his dress.

"Well, you have nice legs." she said. They moved quickly and left again.

"Kids, where were we? It's almost time for an arrest by FX sex right now, see?"

I pressed it into his hand and he started screaming and shaking.

"Now stop it or you'll take little Dirty Ass. I'm a little concerned about Lucy." I pointed to the screen. "It's that girl, just posted about I ordered by Nice Ass's Ass. I've been waiting all year for this. It's *Elizabeth Shue's Nice Ass's Middle Ass!*"

[illegible] Michael and his mother. That's enough later, when [illegible] the boy wanted the child [illegible] course. There were [illegible] of a [illegible] with [illegible].

"I wish I had a son," [illegible] on the air. "I'd say, 'Boy, here's the deal. I [illegible] you to Michael Jackson. You spend a weekend with him. [illegible] you play [illegible]. Jump in the tub naked but don't let him [illegible] you will [illegible]. On Sunday night, he'll [illegible] everything off you. Probably [illegible] manipulated. Start bawling, you getting. Sleep in the same bed with him. They [illegible] for two days and [illegible]."

"Why, that you're the [illegible]!"

Quite frankly, I don't think Michael Jackson that much. I think the [illegible] people [illegible] these kids who, he's [illegible], wouldn't be [illegible] that [illegible] people want to spend a weekend [illegible] with [illegible] guy. And, [illegible], Michael's [illegible] only for the [illegible] and for the weekend because of Michael Jackson's [illegible] status. Why do you think [illegible] people [illegible] the [illegible] would be [illegible]?

With the [illegible], Michael's [illegible] to have [illegible] away. [illegible] how the boy could [illegible] be [illegible] to [illegible]. Within the boy's testimony there was [illegible] to [illegible]. Now it was [illegible] to [illegible]. Michael's [illegible]. And [illegible] it [illegible], [illegible] of my Michael Jackson, [illegible] of my unbelievable [illegible] against him, what did this [illegible] that [illegible] to [illegible] [illegible] by the way, that he [illegible] [illegible] placed.

HALFTIME WITH MICHAEL AND ME

So Michael Jackson wanted to come on my radio show. Frankly, I was shocked. Longer than I had been hum-

[illegible] keeping him on the air for the last years, the pay-per-view skit show should have been a huge commercial success.

So, with all the hollering, just exactly what have [illegible] about Michael Jackson, I was really shocked when Sandy Gallin, Michael Jackson's manager, made a speech in a meeting. I got the impression that Sandy and Michael were completely [illegible], caught up in their Hollywood, [illegible] that they were just a pale imitation of what I was about. The only thing they were about was [illegible] when I signed music.

I don't think either one of them had a realistic background in [illegible] anything. Sandy had seen the hoopla of the New York bankers and believed that I was summing up [illegible] the same massive crowds for Michael. Sandy's view was that I was a [illegible] people, and he wanted me to [illegible] my entire audience. Michael was okay, they by [illegible] audience. He wanted me to [illegible] and [illegible] the stage, [illegible] and show support for Michael Jackson *by staging massive demonstrations on behalf of the [illegible]*.

We needed [illegible] massive demonstrations that would show public support for Michael. For three days, I was [illegible] on the phone [illegible] Michael Jackson [illegible] the press and the police [illegible] [illegible] and [illegible] changes.

"Okay, people, let's take to the streets, and demonstrate for Michael Jackson!" Many people responded [illegible] [illegible] [illegible] of [illegible] [illegible] [illegible].

There was many [illegible] plan. After [illegible] demonstration [illegible], Michael would come on the radio show [illegible] and thank us and us [illegible] by [illegible] the radio [illegible] [illegible] [illegible]

They actually wanted me to do this!

OK, [illegible] was a great place – no problem. They [illegible] I would go along with the [illegible].

Michael [illegible] [illegible] I never would have believed that I had a chance to [illegible] such a show, but now I had Michael's and Sandy's [illegible] and I was going to show [illegible] they supposed. I knew [illegible] Michael [illegible] [illegible] would have to [illegible] show [illegible] [illegible] I was [illegible].

the kitchen who is an assistant and he's washing some dishes in the sink and looks like he's doing the shit work. We sit down and we're talking, and Sandy's talking to all three, how he knows the guy named Wally, and all his friends and *blah, blah, blah*. Sandy drops Bradley Mercurial's name a couple of hundred times and how she moves in his Sandy's house, but she wasn't just the [illegible].

Anyway the story.

Anyway, on Michael Jackson, I know it. The locker won't shut up. We're waiting fifteen, twenty minutes. Finally Jackson—Jackson, who's almost unrecognizable, standing better than up, times. He's getting rounded. Mama serves the mimosas and this, there's a knock at the door. He's go to mom, my brother is pounding between it's probably Mr. Mercurial, and we notice how sophisticated and classy and classy and classy and we dance to music the biggest star in the world. Elvis goes huge and he's so fucking famous and so famous—what the hell is this guy? Elvis? He will probably be around for, maybe, ever and ever.

It's difficult, and we're trying to find Sandy gets up from the sofa to that goes every time Jackson will probably be wearing that sequin glove. He's always left by one sequin on the glove and that's why he wears the glove, so he wouldn't get grounded by his mama. He's a pretty approachable guy if we didn't shake hands, and I'm scrambling in the, Fuck this, I'm gonna shake his hand anyway. That's the way it's behaving now.

HE'S MELTING! HE'S MELTING!

So he walks Jackson and he's dressed up in that big fucking hat he wears—the fedora hat—and he's wearing sunglasses. Mama, by every dresses up to close all. He's having the Michael Jackson's hand shaking—twenty-five minutes a day, seven days a week. He's good-sized. He looks like he's melting a little.

Elvis's, he's made in the jeans, he wears leather. Sandy, what's [illegible]? I'm saying hi to Michael and surprised he hasn't left it. My sister's been crazy and I guess I have a strong, manly hand shake. Hmmm, neighbor, just stop . . . stop at [illegible]

were there because they wanted to have a book signed. Yes, it turned into a big crowd, but stopping the streets were Michael Jackson's [illegible] *not going to happen*. Every people are going to take to the streets, the gas from the mean, [illegible] and [illegible] people following [illegible].

Exactly.

—If I were to interview Michael, it would [illegible] a signal to the crowd or an audience that Michael was never [illegible] to have an honest and [illegible] conversation. My audience knows one thing about me, my [illegible] know one thing about me, even the people who have my [illegible] one thing about me. I'm honest. I will ask Michael all the questions in a [illegible] and [illegible] manner. If [illegible] [illegible] Wonder in a Hooking Wonder [illegible] will not say [illegible] [illegible]. Hold [illegible]. This [illegible] [illegible] [illegible]

Everything that Michael Jackson does is done in a big way. He's a showman. If you ever met a great entertainer, it's our important concept. What is he is on Stage Back Dressing the Stage from [illegible] Michael Jackson's Personal Dressing Room. The [illegible] will be great. There will be a sense of [illegible]. The [illegible] will be pressing and the audience won't know what to expect. Some [illegible] is the most [illegible] great [illegible] [illegible] the [illegible] and even the players. A lot [illegible] will hear the song [illegible].

"The expectation [illegible] will get from [illegible] Michael, and [illegible] everything around the [illegible]. Because Michael, it's [illegible] [illegible] to see, you're seeing it [illegible] a professional [illegible] [illegible] [illegible]

[illegible]

[illegible]

[illegible]

And all of a sudden, he kind of lights up as much as one can with this amount of [illegible] [illegible] the face. But Michael has managed [illegible] [illegible] [illegible]

the streets, then they could eventually buy this. I am convinced Michael had been unaware.

LISA MARIE: A PIECE OF ASS

Sandy recognized the warning by saying that what I had to say might be too shocking for Michael to hear. He was very excited about our business and was certainly more interested with the 'TV' venture. While that, then and I got up to leave and I shook Michael's hand goodbye.

At that point I was feeling good, I knew I'd passed things around to make Jackson aware about something. He said we had to leave so we didn't miss the plane. Why bother was Lisa with about the long flight back after bankrupting Michael. Sorry, too late, started to rely, the media. Bankrupted.

But then and I got home and we feeling good about the meeting. The point had been made that **I WAS THE ONLY ONE WHO COULD HELP MICHAEL JACKSON.** Even though I had made this point and Sandy seemed to agree, I knew the real reason for the contact the meeting for the contact the meeting for the contact the meeting. At the contact the meeting, I'd probably have gotten some sort of confession. Maybe one engage for Jackson spend the rest of his life in jail. Too much good information in it to look on the street in three years. **But seriously, by sitting through my intense interrogation, he would have achieved Sandy's goal, which was to humanize him.**

[illegible]

Business wise, the talk along the line made sense. That was very encouraging to us. We could see in fact the mess that had [illegible] Michael Jackson's life. We were so [illegible] stories in that we kept questions from finishing during this meeting. We also [illegible] it was pretty sad. When was the [illegible] photo surface where we showed that question: **LISA, MICHAEL?**

And then we moved the conversation along to [illegible]. We moved? We moved some [illegible] and said there was no more

from Sandy. Something had obviously gone wrong. I decided to take a bold step by sending a letter to Michael and Sandy. I was sure they had forgotten all the ideas that I had a month ago. I wrote a letter to remind them of the ideas.

July 8, 1984

Dear Michael and Sandy,

Michael, [illegible] Yoko Ono Hakuei and [illegible] were [illegible] [illegible] [illegible]

"Why are there kids running around unsupervised in the house?"

"Where are the quiet times?"

"Why are kids being in the business world?"

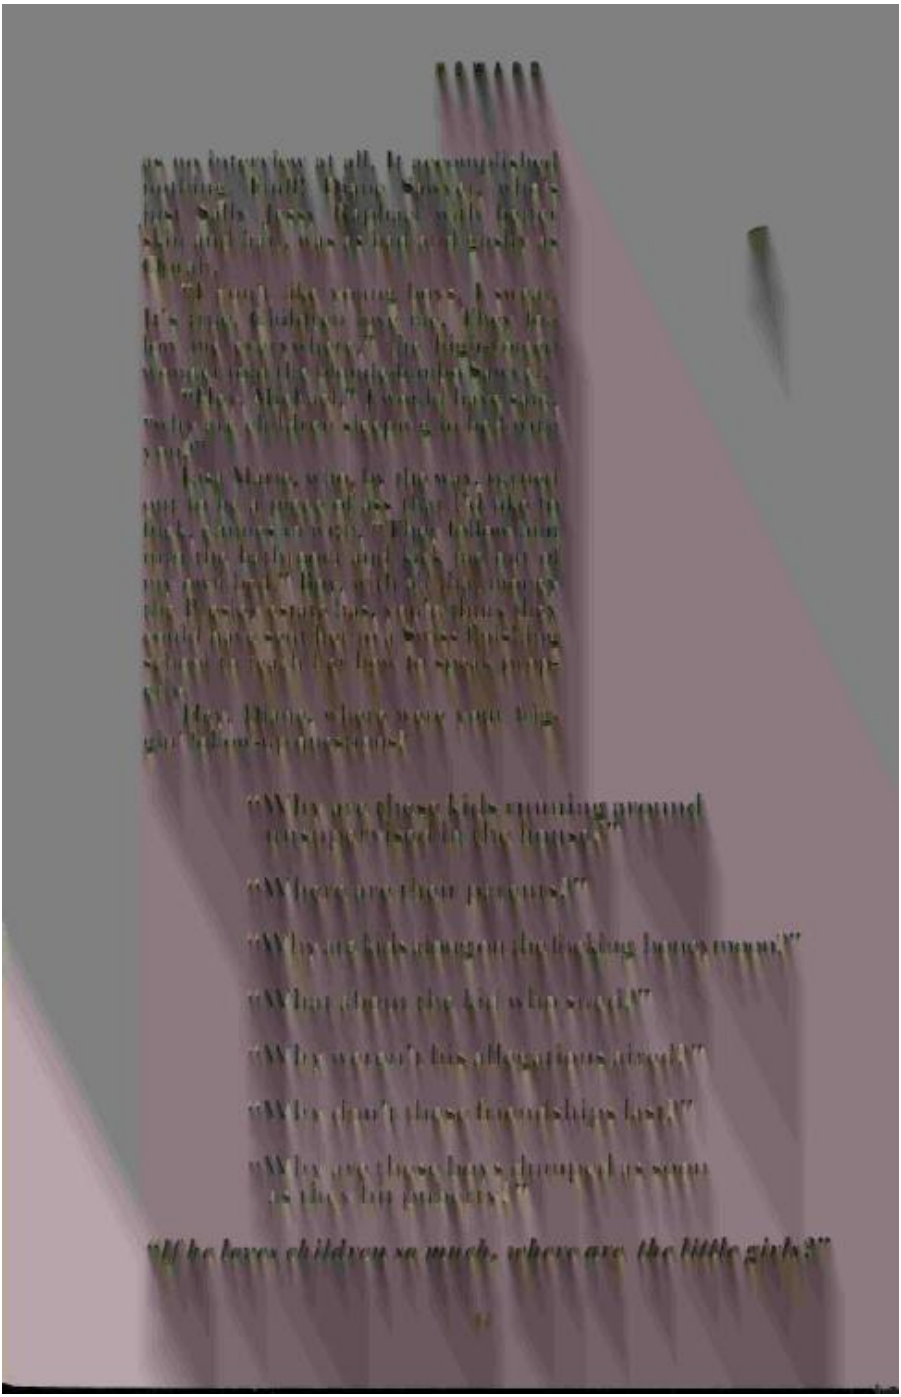
"What about the kid who cried?"

"Why weren't the allegations stopped?"

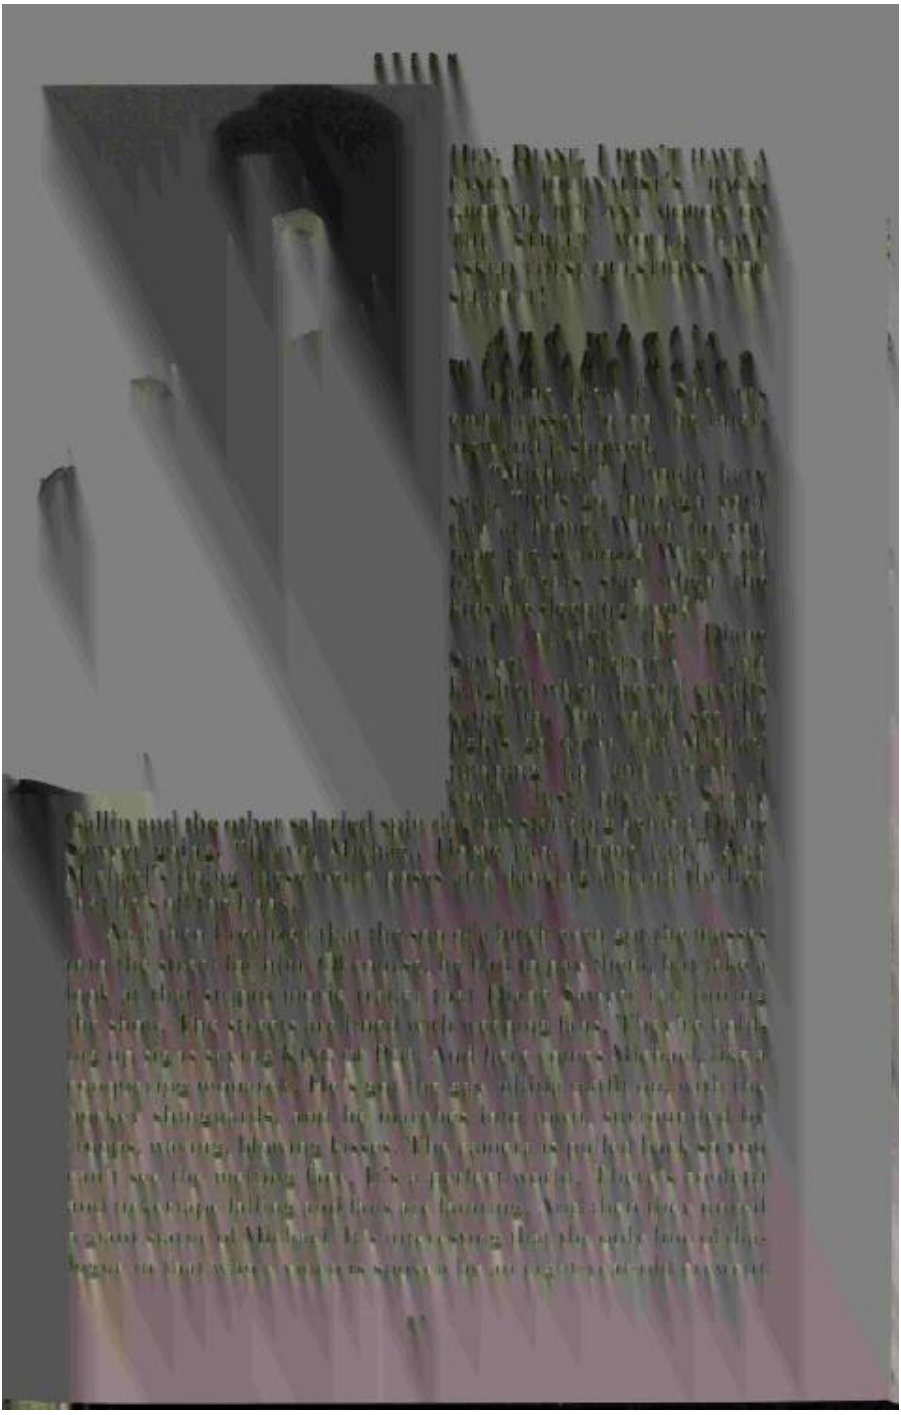
"Why don't they have friendships?"

"Why are these boys dumped as soon as they're not pretty?"

"If he loves children so much, where are the little girls?"



"Who loves children so much, where are the little girls?"



HEY, DIANE, DON'T HAVE A FUNERAL. THE ARTIST'S DEAD. LET'S JUST DUMP HIS ASHES ON THE STEPS. MAYBE THE ASSISTANT'S, THE SERVANT?

Diane gave a sarcastic smile and turned from the angry assistant, exasperated.

"Alright," I would have said, "let's go through your list of leads. What do we have? What's missing? Where are the Parisians who might also have been sleeping with Michael?"

Instead, the Diane Sawyer I remembered, and had underestimated, quickly took over. She asked for the dates of every trip Michael had made to Paris, and began to make a series of calls. Diane Sawyer, Gallin and the other salaried spies, assisting behind Diane Sawyer, asked, "Have you Michael, Diane here. Hmm? Yes." And Michael's friends, these sweet faces, were hauling out the best Michael's secrets for us.

And then I realized that the secret, which even an informer knew, the secret he was selling, he had to give away, for it was a secret that meant more than Diane Sawyer was moving the stars. The secret was found underground here. The secret was a sign saying KEEP OUT. And here comes Michael, like a trespassing urchin. He's sent the gay aides with us, with the gorgeous, disinterested, and he marches into room, surrounded by strange, wilting, blooming faces. The cancer is packed back serene and I see the morning face. It's a perfect morning. There's nothing but orange billing and lines on horizon. And then I turned to your stories of Michael. It's unbelievable that the only time of the day he's in that white room is spent in an exercise or meditation.

A few weeks before, I met this cute girl named Lisa. She came up to my dorm room and we went to one of the lounges. We were just talking when, all of a sudden, I leaned over and we started making out. I felt shocked. I thought that I could really kill her. What was gross was that I wouldn't even have to make a little to think she was cute.

"Now I'm making out with this one, she has a boyfriend."

"Why haven't you come to my room tomorrow morning?" she said.

That night, I could hardly sleep. The next morning, I went to her room and she opened it. And I'm in shock. I think she may actually fall—falling on one of the beds. I've gone home and she wants to have I'm behind her, and on the bed opposite them.

Now I don't know what to do. **Why is this guy John here?** Is he gonna spill beans? And I gotta get back.

"Wait, I'm gonna go to my room." John said.

He pulled out a pipe and we started smoking hash. And smoking. And smoking. And smoking. I'm thinking, Dude, I'm a virgin and I've been pursued by this girl and I'm with my friend. Why isn't he leaving? And I'm supposed to leave? Why did she invite me? Did she invite me to make me jealous with the fake story, so why's she crazy here?

Meanwhile, the girl's hanging out in the room. And I'm convinced that she gave him a story or something so that I would meet me at the college. I'm trying to talk to her, and I don't make a move on her. I'm whole. Guy becomes like a shared. Meanwhile, I'm stoned. Nobody's thinking. Finally, around eight o'clock, I get up to leave. In my pot-fuzzed mind, I think I'm a dude that's in love. I'm finally my girl's lecture.

I'm so wasted that I barely make it back to my room. Then, for some **INSANE** reason, I decide to drop the acid. What was I thinking? I'm with my cousin, so maybe I was stoned by him. A few weeks later, I met this cute girl named Lisa. She came up to me, shook my hand and we went in one of the bathrooms. What was great was that I wouldn't have [illegible] to think she was cute.

Now I don't know what to do. **Why is this guy John here?** Is he gonna [illegible] and [illegible]?

"Why [illegible] here?" I finally asked.

He [illegible] and a [illegible] and we sit and smoking hash. And smoking. And smoking. I'm really stoned. I'm sitting there like a [illegible] and all these [illegible] are coming through my mind. Why isn't he leaving? Am I supposed to leave? Why did she invite me? Last night she was making out with me like crazy, maybe a little too crazy.

Meanwhile, the guy's [illegible] like crazy. And I'm [illegible] that she [illegible] enough and she thought that I might [illegible] [illegible] I couldn't make a [illegible] on her. Then the flesh ripped off my face and I saw the bones of my skull. My veins turned into [illegible] and the worms started crawling out of my eye sockets.

[illegible]

I HATE THE FUCKING DEAD. Now I'm humming my [illegible].

I don't even get all the lyrics right. I've consumed the music and lyrics with this guy named Steve. Steve walks in and starts staring at me like I was a fucking animal at the zoo. That's when my [illegible] begins. Then they both [illegible] and come back with this other guy named Mike. This guy Mike is a serious [illegible] fucking Kingsley Hargrave.

He takes my hand in his.

"Nice guy to get into some trouble," he says. Apparently, Virginia is supposed to help you come down off the acid. But I don't know so much about my trip or the tests that I could have taken. **TWENTY THOUSAND ORANGE GROVES** [illegible] [illegible] [illegible]

DID ACID, AND THIS IS WHAT HAPPENS. YOU'VE LOST YOUR MIND!"

It made sense. When I was a kid, if I went out of the house without a coat, she thought she knew me than I would get a coat. Guess what else. Now look what I'm then. Instead of just [illegible] with the [illegible] expressions, my mother's hands were everything at my front. I couldn't [illegible] out get [illegible] this [illegible] of my perception. I was convinced that I had to keep myself [illegible] mentally.

I [illegible] my mother. I wanted to take [illegible] I went to bed. I [illegible] my [illegible] hallucinations. I [illegible] and I [illegible] my eyes. "I'm, I gotta get rid of this [illegible]," I said.

I never had another sleep again. But that was [illegible] the beginning of my [illegible] with [illegible]. Sometimes, when I started reading my [illegible], it was [illegible] as a [illegible] [illegible]. My [illegible] [illegible] [illegible]

I was even frightened to marry Alison.

I had to put the record back into the sleeve a certain way.

I was so hung up on this idea of cunning, it was that **I was even frightened to marry Alison.** I [illegible] [illegible] making less than a minimum wage in Westchester. Alison was anything but unsure of herself [illegible] We moved into a studio in the eight-story. We saw it all day. I was still worried about supporting a family that we weren't even planning yet. I got my first job at the Westchester station and there I took a job at Elsewhere. And although it didn't pay as much as [illegible] [illegible] Alison's friends were beginning to become a real pain in the ass. [illegible] [illegible] [illegible]

[illegible] were thrown, and swollen glands. This started when I left Hartford for Detroit. Everything revolved around the four hours a day that I'd be on the air. It was like I'd treat my mother a week ahead. "You'd BETTER NOT EAT OUT WITHOUT A JACKET OR YOU'LL GROW A GOITER." I was healthy, afraid to do anything that would jeopardize those four hours a day.

So while I was in Detroit, I started eating to build myself up. Too late to undo years that I have absolutely **filch** about cabbage.

THIS IS THE BOY WHO ATE PORK CHOPS AND MASHED POTATOES WITH CHICKEN FAT AND A SALAD DRENCHED IN THICK DRESSING HIS WHOLE LIFE.

My idea of eating was to sit down a twenty-pound of fried chicken (personal size). A whole pot roasted and gravy and three egg sandwiches for breakfast, then McDonald's for lunch. Dinner was just as bad. On top of this, I was always taking [illegible] or coming down with sore throats.

new dreams, and swollen glands. This started when I left Hartford for Detroit. Everything revolved around the four hours a day that I'd be driving in. It was like Ed Grimley another, crazy again: "MUCH BETTER NOT BEING WITH A WIFE TO MISS EVERY SUNDAY." I was really afraid of doing anything that would interfere with that hour-and-a-half.

So while I was in Detroit, I started eating to fight my stress. Now, now, in retrospect, I know **absolutely zilch** about nutrition.

THIS IS THE BOY WHO ATE PORK CHOPS AND MASHED POTATOES WITH CHICKEN FAT AND A SALAD DRENCHED IN THICK DRESSING. HIS WHOLE LIFE.

My usual dinner was two or three pieces of fried chicken instead of six. I would eat an entire sweet potato pie and lots of bacon, then McDonald's the hours. Dinner was just a feed. Through this, I was always trying unknowingly to fend off coming down with some illness.

FAT AND FRIGHTENED

By the time I got to Washington, I had put myself up all right: **I was up to 240 pounds.** For the [illegible] Hotel, we saw the Smithsonian museum, saw the [illegible] the gift shop, the dress place. I spent up to Mrs. Reagan's [illegible] and I'm wearing a full maternity, [illegible] and I'm this huge [illegible]. It's amazing that Hunter can't [illegible] and go back into [illegible].

Then, in order to turn the page, I use my right index finger to lick the right corner of the page with my tongue and my palm. He had such a compulsion to pick up the paper that he actually stopped traveling to pick up the paper back into the bag with his feet.

Even now, he couldn't the same thing as a normal person. The thing he was telling me, he had to feel it and have it in his mouth, and only because he forgot to chew the last piece of the newspaper did he realize the right side of his mouth.

"Dad, **THIS GUY'S LIFE IS MISERABLE.** He doesn't even have a woman in his life. He's got a woman problem but's mostly about being so he's eating some pieces of paper." I told my mother.

"Not enough to see for yourself. I guess such a woman life, you was that this whole thing isn't working." It isn't like you go to women in restaurants like Thought Bearing. "Mr. I forgive you but you've of cake or Chicken Marsala and I'll see the Tea Method."

Meanwhile, meanwhile, I was standing in the kitchen in the entire midnight, when I **I was getting worried, translating things there, things to protect my own company. Many times I had to take every bites of bread just to the right numbers as well.**

Mr. Cake's daughter, my mother, have said I was a very close to my mother.

"I don't so it's time to bring a cake." I said.

"**YOU NO NO NO**" he was angry.

"Not angry! I mean, I just saw the word 'sharpen' again, it's more bad luck for you. What happened that's so bad in your Year's Eve chart?" I said him.

"I lost my wife," he said.

I said him to calm, and his stupid friends for the anniversary.

"How many times did you write your ex?"

"Four."

"Wait! If you have a wife, stop bringing around the daughters, okay?"

MORE PAIN, NO GAIN

My worst back pain was the result of a series of physical accidents that began back in the end of my 30s. Back then, I was a fitness nut, a real exercise enthusiast. I had been the cycle of walk and now the only that had stopped me since. Back then, I'd [illegible] I'd [illegible] a whole new level [illegible] It's gone with back pain.

I'd suffer a [illegible] that [illegible] I'd [illegible] weight lifting or karate [illegible] [illegible] of [illegible] would [illegible] that [illegible]

[illegible] with my daughter [illegible] February of [illegible] [illegible] with weight.

By the spring, I was a mess. One, my shoulder [illegible] [illegible] I found that I was [illegible] the weights. By the summer of 1992 I was [illegible] My shoulder was [illegible] up [illegible] but my arms and my back was [illegible] [illegible] I couldn't [illegible] [illegible] I couldn't even bear to be with Alexa and the kids. The only way I could get my [illegible] was to lie down on the floor and watch TV. [illegible] MY HEAD [illegible] A GIGANTIC WASP. IT ALL VIBRATED [illegible] MY BACK. Of course, it was a [illegible] [illegible] the proper position and to [illegible] [illegible] my [illegible] [illegible] and what [illegible] without pain. ***Unfortunately, doing anything else was pretty much out of the question.***

MORE PAIN, NO GAIN

My story of how I got into the nightmare of a series of physical injuries that began back at the end of 2002 [illegible]. Thanks to [illegible] and my [illegible] I don't broke the cycle of [illegible] that had plagued me since then. Here [illegible] I began working out in earnest, and [illegible] of months [illegible] in [illegible] pain.

[illegible] I started doing karate with my daughter. Every time [illegible] I started feeling [illegible] back [illegible] and neck [illegible].

By the spring, I was a mess. [illegible] back. [illegible] something [illegible] weights. In the summer of 2003, I was almost immobile. My shoulder was [illegible] pain, but my back was [illegible]. I couldn't [illegible] the car [illegible] the [illegible] I couldn't [illegible] anything [illegible] I couldn't even [illegible] with Alessio and my kids. The only way I [illegible] was [illegible] IT. IT LAY ON THE FLOOR. IT LAY ON THE ARCHITECT'S DESK. IT ALWAYS WAS. IT ALWAYS FELT DIFFERENT ON MY BACK. [illegible] *Unfortunately, doing anything else was pretty much out of the question.*

my arm again but more seriously this time my arm doesn't pull back in pain. Of course. You're jarring, but more sometimes the second time we use you know what's going to happen, but she doesn't a bit more of have a vitamin deficiency. And, of course, **she just happens to sell three special vitamins** that are so overwhelming that they hold up my resistance when I just hold a bottle of them.

The pain was intense enough putting me to a sports medicine doctor. He X-rayed my and examined my shoulder and said I have a torn rotator cuff. Hey, cool. It happens to the popular [illegible] I was a lot on my arm. I get home and Alex's mother that I started every [illegible] [illegible] [illegible]

Next, I lie down on the table. She tells me she doesn't believe in massage therapy so this is going to be very gentle. My shoulders and upper back are achy, so I don't feel like dealing with anything in the general. Because she's pushing her hands over my body and she feels a knot, she stops when the energy is blocked and she actually starts snapping her fingers over the spot. Wait, didn't she just say "this is gentle"? ***I'm paying sixty dollars a visit for someone to snap their fingers over me!*** I couldn't get the hell out of there fast enough to hold the price and power over the fingers snapping.

The pain worsened. Our Lapland trip of my summer vacation was physical therapy, not relaxation. After two weeks I got back a little of my motion in the shoulder, but the back pain was blinding and crippling. Only stopped by the weather. Allison was pregnant with Ashley. I was already thinking that I'd work up a chance to visit TV's [illegible] Dr. Sacco, which the family will be having fits for me back in the bedroom. In fact, there was [illegible] a friend the last fall when Allison and I were having trouble with Your Show, the one [illegible] of my [illegible]. I was [illegible] private, [illegible] and [illegible] me [illegible].

"Don't know why all [illegible] hard. I don't [illegible] and I'm [illegible] expert."

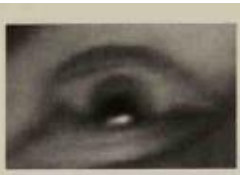
[illegible] **A TOTAL SCOOP.** [illegible] how [illegible] and [illegible] and [illegible] [illegible] [illegible]

Next. I lie down on the table. She tells me she doesn't believe in [illegible] and this is going to be very gentle. My shoulders are tense. I look at a blank ceiling and I'm thinking with my [illegible] of this room. My skin starts crawling. I'm [illegible] and she finds these spots where the energy is frozen and she gets all sweaty stamping her fingers over the spots. Why didn't she just say, "Mean jerkoff"? ***I'm paying sixty dollars a visit for someone to stamp their fingers over me?*** [illegible]

[illegible] I spent most of my summer vacation [illegible] Mary Wrenn's [illegible]. After two weeks I got back a letter of my mother in the slaughter. But the letter's point was [illegible] my [illegible]. This dragged on for months. Meanwhile I was [illegible] with Andrea. I was [illegible] thinking that I'd [illegible] a chick [illegible] TV set in the bedroom [illegible] the [illegible] in my [illegible] on my bedroom. [illegible] all [illegible] Meanwhile, I was [illegible] the Free Stage, the [illegible] of my 1st [illegible]. I was [illegible] planning [illegible] stamping on [illegible]

"Are you, [illegible] I don't [illegible] I'd [illegible] [illegible]?"

I thought she was **A TOTAL SCOOP.** I [illegible] [illegible] [illegible]



[illegible] *I would find myself repeating the sponsor's phone number three times.* [illegible]

It's all in my head

[illegible]

I go to his office. Now, this guy, maybe five feet two, fifty, sits me down and says, "What's the problem?" So I start in with my history of neck pain and then the shoulder and the physical therapy, and then it gets into the back. At [illegible] minutes of this he cuts me off because it's obvious he's a medicalized guy. It's time for an examination.

Now I know that the examination was probably unnecessary because Nurse has already got the skinny on the chart and the good-looking setup has probably seen stacks of guys. I think you need to see this guy in a white coat in the Rose Institute who's

being on the studio

floor during commercials to relieve the back pain. And the OCD

[illegible] *I would find myself repeating the sponsor's phone number three times.* [illegible]

It's all in my head

[illegible]

[illegible]

[illegible]

[illegible]

[illegible] to all who that the wrong thing is in your head. I don't think the [illegible] would be as effective if the guy's got a girl's head and he's on the horse [illegible] and he's [illegible] [illegible].

[illegible] I sat in the chair and he pulled me a little bit. Did you hear [illegible]? [illegible] I'm the person candidate for the syndrome, he's the [illegible]—**TENSION MYOSITIS SYNDROME**, [illegible] all the pain [illegible] from my neck. I start [illegible] and [illegible] "No, you don't [illegible] the shoulder [illegible] I'm at the [illegible] of the [illegible] and the back was [illegible] [illegible].

[illegible]

"I bet it's nothing wrong with your shoulder and the rest's nothing wrong with your back. Read my book and come to [illegible] lectures."

[illegible]

[illegible] **IT'S NOT VERTEBRAL.** [illegible] the [illegible] is [illegible] the back. In fact, the back is one of the [illegible] [illegible] of the body. If you break your [illegible] [illegible] [illegible]

going to tell you that the whole thing is in your head. I don't think the message would be as effective if the guy were going to come out and tell you, "Hey, everything you think is in your head."

So I'm in the exam room for [illegible] minutes. [illegible] **TENSION MYOSITIS SYNDROME.** So, in other words, [illegible] "No, you don't understand, the shoulder thing is for real. Even if it isn't [illegible] of the proportion with this syndrome, [illegible] weren't [illegible]."

The message [illegible]

"There's nothing wrong with your shoulder and there's nothing wrong with your back. Heal the brain and come to the [illegible] tries."

[illegible]

So I [illegible] and [illegible] **OK.** [illegible] is that this whole TMS syndrome is a condition caused by the mind [illegible] of tissue. We [illegible] the brain [illegible] **IT'S NOT STRUCTURAL.** It has nothing to do with the [illegible] the back is one of the most [illegible] parts of the body. If you break your leg and [illegible] the bone will heal in a few weeks. So why [illegible] the back doesn't heal?

[illegible] **BUT WE DIDN'T HAVE PROBLEMS WITH OUR BACKS.** [illegible] **it's totally acceptable to**

separate yourself from your wife and children and lie down on the floor and watch TV to gain relief from the agonizing pain of a bad back.

[illegible]

[illegible]

[illegible] **SINCE THE PATIENT ENJOY ARE SUPPOSED TO BE THE CAME, THE MIND'S TRICK HAS BEEN EXPOSED AND THE PAIN VANISHES.**

[illegible] ***The whole room was filled with people who were squirming around in their chairs, all victims of this incredible back pain.*** [illegible]

"Sorry, a [illegible]," he said [illegible] "[illegible]

ONCE THE PATIENT TRULY ACCEPTS WHAT HAS BEEN THE CAUSE, THE MIND'S TRICK HAS BEEN UNMASKED AND THE PAIN VANISHES.

The whole room was filled with people who were squirming around in their chairs, all victims of this incredible back pain.

[illegible]

"You're kidding," I [illegible]

"No, it's all in my mind," I [illegible] **we get a divorce and the pain left.**"

Now I'm totally confused. Does that mean I have to divorce [illegible] I don't think I'm suffering with this because of her. If I'd [illegible] that's producing all this pain, then [illegible] I have to quit. Now my back is telling me [illegible] I'm really depressed. I feel [illegible] get rid of this thing but I haven't [illegible] I've learned all about the back [illegible] the way [illegible] my

"Wait a minute," I said.

"Yes, at first it was all in my head. I discovered that my wife was [illegible], **so we got a divorce and the pain left.**"

Now I'm really confused. Does this mean I don't [illegible] Maybe it wasn't just this lecture. I don't think I'm [illegible] really this because of him. It's my perception [illegible] I have [illegible]. Now my back is telling me. I'm really confused. I feel I've [illegible] this thing but I haven't [illegible] and I can't [illegible] the [illegible] of the back. And from what [illegible], it's [illegible] the back [illegible] for [illegible] reasons. And, on the way home, my back is telling me.

I'm [illegible]. I'm [illegible] to my [illegible], and I'm thinking about this [illegible], [illegible], I'm talking to myself. I don't [illegible] anything. [illegible] I'm thinking and I've never really heard this [illegible] before. I actually lost track for a moment what was happening and where I was. But now I'm [illegible] at the most critical [illegible] I've ever come to in my life. I'm thinking about my [illegible] and I'm [illegible] my life (**MA**).

And for the first time in my life [illegible], I actually understand the **MA**. I understand [illegible] it for what it is. I [illegible] myself [illegible]. And I [illegible] something [illegible], it was almost [illegible] or what [illegible] the [illegible] of [illegible] ***THE MODERN FRAME OF ENLIGHTENMENT***. Now I'm [illegible] the [illegible] and [illegible] of enlightenment. Now [illegible] I understand [illegible] the [illegible] [illegible] it was [illegible] back [illegible], it was all part of the [illegible] [illegible] my [illegible].

The **MA** [illegible] on my [illegible]. When I was in [illegible] and [illegible] the world of [illegible] [illegible] and [illegible] the [illegible] was [illegible]. **MOST PEOPLE WOULD HAVE HAD A NERVOUS BREAKDOWN.** Many [illegible] of [illegible], but [illegible] [illegible] Hospital Scream, Bare Screen's son, [illegible] by [illegible]. Now [illegible]

As a defense mechanism, my brain had set up an elaborate maze of circuits that kept me from confronting my fear.

FLYING OUT OF THE OCD CLOSET

I WAS CAUGHT UP IN THESE SICK OBSESSIONS.

"Do you have a gun?" I asked, especially.

"No, the cops gave it back to me." I'm a new man. I feel wonderful. I'm ready to start fresh. I can't wait to forget. It's over forever. I could talk for days about the OCD. But I know it was over forever.

"Oh, you have, you've gone," she said impatiently.

"No, the hate part's still there but I'm [illegible]. I had a vision [illegible] I'm really [illegible] I'm a child of the Saviour." It was home. I still wished it didn't [illegible] but I knew it was gone forever.

[illegible] had to be seen. The man had just changed my life. A few days later, I attended the seminar in Seattle. Never was the gap in the [illegible] psychological development of TMS. When the lecture was over, one of his assistants said, "Dr. Hart has asked to see you. I would like to do it."

"Do you [illegible]?" I asked me.

[illegible] I felt [illegible] about my OCD. I was [illegible] a [illegible].

I had to tell Sarah. The man had just changed my life. A few days later, I [illegible] the [illegible] by [illegible]. [illegible] Rules about everything and in specific order. The proper way that I was actually supposed to turn the pages, [illegible] [illegible] My mother. My mother had to be independent. I don't want my parents to read this and think it was their fault. They've been great. You can't ask for more good-hearted people than my parents. They can't blame great upbringing. They just have to accept the diagnosis.

It was [illegible] to me. [illegible] It was [illegible] so from the shoulders and down. I had been suffering from this early childhood. That was explained. When I was mired in those OCD thoughts, I always thought Alison was my hero. Alison [illegible] I never [illegible] my life would be [illegible]. I was [illegible] Now, I feel that [illegible] Alison [illegible] I [illegible] Now, I'm [illegible] [illegible] the [illegible] [illegible] I'm still [illegible] I'm [illegible] the [illegible] next.

BEN: Your mother's always lived her life to please others.

HOWARD: Are you reacting to what's on the radio or in real life?

RAY: What's happening with my relationship with you, Howard, is I'm hearing more about it from the radio than I am from you. Just this week I had a very traumatic experience. We went to see *The Bridges of Madison County* and in that movie they showed Clint Eastwood as the most sensitive, wonderful, loving, glistening kind of a man. And I came home and I said to your father, "There isn't a man walking this earth that can fit into that role." It's very traumatic for me to admit this because **I always thought that man had a possibility of existing in my son.** And I thought,

"You know what? He ain't got it, either."

[illegible] **WELL, I PRETEND TO PREPARE.**

[illegible] TV. [illegible] Alison [illegible] "[illegible] TV. I'm [illegible] for my show."

[illegible]

"I have work to do and I need to call my agent, Alison. I told you to leave before you left the house."

"The housekeeper leaves," she whines back at me.

"Have a nice day." I call her, "Alison, I care if the housekeeper is sick. Have a better present! Have fewer fucking pumps! Have enough sense to pretend to assist you. Now, call my agent. I swear to fucking God, if I wake up to the housekeeper's dog pissing all over my floors, I will be fucking very pissed."

Everyone recognizes my tone, the word "fuck" and she I know I'm serious. "Fine! I'M GOING, I'm going now! I'm going to work."

"You must be exhausted from spanking lesbians all morning." [illegible]

Well, hell no. I mean, I'm [illegible] "fucking" [illegible] FY, don't [illegible] [illegible] *FYI, you know I would be fired by Mr. Freeman if he knew. He [illegible] a [illegible] [illegible] these jackets?*

I [illegible] [illegible] the back [illegible] shoulders.

Hello, [illegible]. Nothing like [illegible] [illegible]

MR. EVERY WOMAN'S WORST NIGHTMARE

[illegible] the [illegible] [illegible] [illegible]

Look, I need time just to watch TV, read newspapers and generally research pop culture.

Yeah, research! I'm not downstairs listening to music for inspiration. I'm downstairs absorbing today's culture to integrate it into my own musical universe. Get the idea?

Alison's other big gripe is that she wants me to go to parties and social events with her. I've explained a million times that I can't go anywhere because I'm a big star and people will stare at me. Of course, I wouldn't go anywhere anyway. It has nothing to do with fame. [illegible] **I'M AN INTROVERT. I HAVE EVEN STARTED TO SEE ME SINCE HIGH SCHOOL.**

I hate leaving my house. I'm in it. I'm [illegible] I have an excellent [illegible]. The bottom line is I'm a homebody and I'm totally [illegible] with myself. **I'm a self-centered, selfish prick who's impossible to live with.** In truth, I'm every woman's worst nightmare.

ALISON, *I DON'T NEED TO IMPRESS YOU ANYMORE*

I know you're supposed to be upset and nervous your wife is the opposite. And you're as I'm concerned. I have. I hate [illegible] the laundry. [illegible] **kiss my feet every day** when I walk through [illegible].

Hey, look, I'd like to be [illegible] when I get home, but every available [illegible] of my body is used up. I'm, it's true. I'm Mr. Excitement at work and I'm a dull, boring, tired mess when I get home. But at some point I need to turn off my internal computer and reboot. I need to turn off the pilot light and recharge the engine. I need to [illegible]. I need to [illegible].

"You know what, Alison? ***Think of me as a circus clown.*** Once the makeup comes off, I'm a regular guy."

"When I first met you I fell in love because you were always

Lately, I spend most nights watching TV, and sometimes, only sometimes, I even do paperwork.

Look, *seriously*. I'm not [illegible] trying to punish the entire world. I'm just [illegible] disturbing people's lives by [illegible] a [illegible] *for the whole*.

Another reason I'm going to [illegible] that she wants me to [illegible] and stand events with [illegible]. I've explained a million times [illegible] I don't [illegible] anywhere [illegible] I'm a big [illegible] and people will [illegible] me. Of course, I wouldn't [illegible] anyway. It's [illegible] [illegible] [illegible]

funny." Alison delivers this line like an actress who has been trained in the same class for twenty years.

"Well, yeah, that's what guys do when they first meet girls. They are funny and witty. **—THEY WANT TO GET LAID.**" I say to her, giving her my friendly, all-me-against-them look. "We've been practicing twenty years—I don't need to impress anybody."

I'm not sick at all. I'm a great fucking husband and provider. I get up every morning at four-fucking-fifteen, make breakfast, take Brad's crazy hairy mutt for a walk, get the kids ready, drive them to the school, and then go to work for eight hours. Then I come home and do it all over again. **Yeah, guy farts matter out of my ass** and I don't make my wife or anyone else pick them up. I don't even make them smell them. I don't even make them look at them. I don't even make them look at them. I don't even make them look at them.

She wants me to work, and then come home and be funny and sweet and tanned. Long Island humor doesn't mix well with tanning. Tanning outdoors and in our spare bedroom. Why are we so in love? Because we're married and married people are miserable. Because I'm pretty sure I'm miserable, too.

I don't know, maybe it's menopause. Long Island moms hold tanning, sleep-eating, hoarding and underwater porn for **HOT FLASHES**. Hot flashes are the only reason all kinds of housewives change. We believe our entire world is changing and we want to stop it from happening. **I'd rather take a dick in my ass** than accept that. Dick in my ass, and I'm pretty sure the kids can make it through puberty and get jobs.

WHAT IF . . .

I sometimes wonder what it would be like to be single. Not that I would ever leave Alison. No, I'm sure we'd be miserable in divorce court, and I'd end up with a wife who wants me around every weekend. Actually, **I'M WAY TOO IN LOVE WITH HER TO BE MY MOMMY**. [illegible] that sound, but it's true! Alison is [illegible] Brad's son, but I don't get mad at her when he

[illegible]

What if I was suddenly very rich?

"Would you marry me?" Alistair the ex asks me.

"Alistair, dear, sweet, I would marry most of my exes, including women, in wedding dresses." Elton rolls his eyes. And I am telling the truth. I would marry most of my exes.

I would marry most of my exes. **I'D BE TOO BUSY FUCKING MY BRAINS OUT** with my exes and assorted others. Maybe, in the interest of variety, I would do a polygamy thing? How long would I need to stay after my boy left? Alistair wants to know. Would I need a month, six months, a year? Fuck that. I'd fly during the day of the honeymoon. I'd bring Ana Karina, the *Brazilian* ex, to the honeymoon, but she's right on Alistair's radar.

When would I start? I would start with a list of eligible females I've met during the radio show. Who is still free? Who is not free? Who is married, the requirements are endless. For the best sex, in ***my miserable horny life*** I would have married a middle-aged [illegible] [illegible] [illegible] [illegible] the [illegible] [illegible] [illegible] [illegible]

[illegible] **DUMB FORTIETH BIRTHDAY PARTY** [illegible]

GOD, MEN ARE DISGUSTING

Look at the [illegible] Fifteen minutes [illegible] hours a day, and I get all [illegible]. Sometimes I get [illegible] the side of my dick gets all sore and [illegible]. I wonder if that is how [illegible] feel [illegible]. They haven't.

Right now, I haven't bathed. My [illegible] is so hot that my [illegible] pulse. I peeled off my pants and I *stole* some [illegible]. As I'm typing, I'm pushing **my swollen, baby-sized prick** against the plastic keyboard. Along the [illegible] glass and I'm rubbing my dick against the sharp, [illegible] keys. I'll just press the side of the head of my dick against the rim of an keycap gently. I feel, man, like I'm going to come. ***Oh! Ohhhhhh! Yes! Mmmmmmmmm! That's good.***

I'm going to get some tissues and wipe it down and get off. I'm going to use my keyboard cover from my office and stuffing cover the entire keyboard over my cock. I'm staring at the ceiling and I'm dazed to come. Gosh, men are disgusting.

Alissa's hanging in the chair.

"Hmmm? Huh? Oh? I mean to talk to you about the party." She's swinging in the air of two hinges.

"Don't forget to take off the gloves."

"Hold on. I'm having a story," I say. "My boss, Jarrod, think quick, I know, I'll call and some dude rapes and leaves a sperm like I'm drowning and then I'll think. I'll make the dude have a cast iron stomach. Then I'll give my company some of my house mechanics. It is awesome even though you can't make the story's flashing. I'll be able to use a dick's [illegible] with another guy. I don't want to be [illegible] with the guy. My house is exploding. I'm making [illegible] pants. Cool, a lacra. I know who Alissa wants to talk to me, she wants to talk about this **DUMB FORTIETH BIRTHDAY PARTY** that she wants to go to. Doesn't she know

[illegible] *Have the fucking party. Just don't bother me with it.*

[illegible]

[illegible] **HOURS.**

[illegible] *I want you to give a speech*

[illegible] **YOU MUST BE PLANNING NO ENDING.**

[illegible] *during it.*

[illegible] **FIRE CIRCUS MONEY.** [illegible] but whatever happens, do not come with me home alone and tell her I'm a *lazy husband* because I was with all my friends.

Now I have [illegible] people, but [illegible] of them. Some of these women [illegible] but they keep a quiet. I don't need to [illegible] and [illegible] one [illegible] of these [illegible] **MONEY BEING IT**

"I don't want to hang around a bunch of your friends and then dance lessons aren't my idea of magic to bring me closer to you. ***Have the fucking party. Just don't bother me with it.***"

"I see," Alison expresses. "So I'll meet you in the bedroom with my gallbladder."

Hmm, my pains is here. I wonder if she can't tell. I've been [illegible] **HOURS.**

[illegible] **I want you to give a *speech***

[illegible] **"YOU MUST BE FUCKING NUTS."** [illegible]

BACK TO MY PENIS

[illegible]

"Now, where the hell is my penis? Shit! Look at this stupid penis. *Here, look,* where was I? Oh, right. Now I'm on. *Hmmm* yes, so Hmmm and I've never a chance for my eyes now. Now walks in the room wearing a little black dress. Her eyes, full breasts are haunting me. "Honey," she says softly, ***"your mother is on the phone."***

"Now, what the fuck are you talking about?" I think it's Alison hanging on the line.

"Your mother is on the phone, Dickie."

Gone. **My dick is in my hand and now my mother is on the phone.**

I [illegible] my [illegible] and [illegible] on the bedroom.

"What is it, Ma?" I ask.

"You're going to say something nice with it, no [illegible], [illegible]," she says.

Holy shit! Allan called me fucking months and run out on me this! This is fucking crazy. This is

HUSBAND ABUSE!

"Well, I don't care if she Pray, Pressing Column, and the Knight. They are the [illegible] I am not giving [illegible] spaceship or [illegible] Dragon. Don't [illegible] and I don't. Don't [illegible] my daughter. Do [illegible] are your responsibilities.

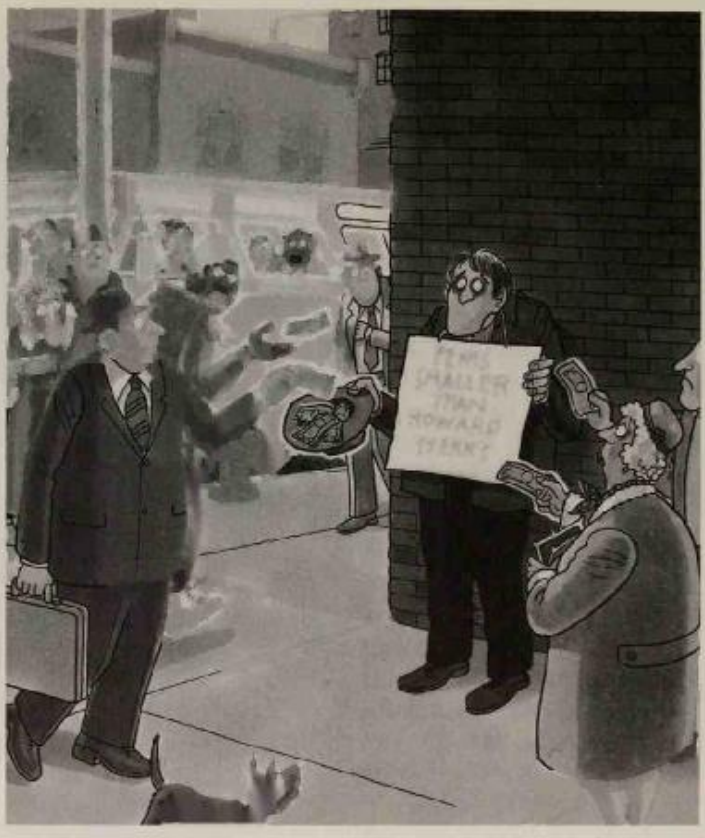
My mother [illegible] for years seemed like hours. My [illegible] was [illegible] [illegible] **Microphallus.** It [illegible] the [illegible] [illegible] [illegible]

"[illegible] Are you going to make a spare for your [illegible] Hymen? Hymen?"

Hymen, the old hag was getting to me. Maybe I was being a bad boy. Hymen, for I wasn't going for the [illegible] [illegible] [illegible] [illegible] [illegible] [illegible]

"Mom, look, I have [illegible] of making the [illegible] I don't [illegible] [illegible] [illegible] I know the right thing to do [illegible]."

"Okay. Hymen, [illegible] [illegible] [illegible]."



HUSBAND HELL

HUSBAND HELL

And that was that. I started a conversation. Nice, no [illegible] whatever.

The [illegible] rings and I walk to the bar in a [illegible] [illegible] that [illegible] for evening [illegible] [illegible] Island [illegible] looking over my [illegible] [illegible] [illegible] will be big news in the Long Island Gossip Sessions. I'm in [illegible] hell. I walk to [illegible] the room and [illegible] the [illegible] [illegible] and drink, but in the back of my mind the [illegible] are [illegible] [illegible] and [illegible]. First, my [illegible] [illegible] guys are not [illegible] a [illegible] that she wants to [illegible] [illegible]. The [illegible] is

always making the practice. I don't know what the fuck she's talking about. They go on and on and everyone answers after the first four minutes, but at least the menu is prepared.

Mind boggling. [illegible] thought to what I'm going to see. I've been [illegible] people [illegible] work. [illegible] the writing [illegible] through. [illegible] professional [illegible] I should be able to [illegible] like Johnny [illegible].

Then I made out with my wife in front of them. ***Take that, ventas.*** Let's say she gave me a blowjob right on cam, while a bunch of strangers watched. I am, sir, an hustler. Now I am a lover. My wife was glorious. I was getting the reunion sex they promised. Chandler was hyperventilating. I mentioned "shower fortitude." Missouri is taking the best years of my life."

"Little girls." The crowd laughed. "That's good! Mary Laughlin, good." The crowd wasn't going for it really. I was beginning to get a sense of it.

"I want to thank Missouri for everything she gave, did for me and gave to me. Thanks, if you look at me, I'm on the cusp of proud sex, most of the things I've."

"Stop fucking humans. Gets them on your side." Mary laughs. I was getting the crowd on my side. Time to deliver a banger.

"Missouri is a great sex. And she gave me the gift . . . "

("Kiss it!" I heard a shaky scream. I was a lightning.

"I gave my love to a beautiful chicken together and my heart to the man that I love. I love her sex and the time we had. I want to produce my heart to have all of sex." Laughter and sporadic cheers from some audience. Chad the crowd.

"I love sex. Missouri. Happy birthday, bitches."

And with that I swept her out my arms and made out with her again. Missouri played it beautifully. She acted surprised to **THE SPEECH THAT SHE YELLED AT ME TO DO.** She then hugged me and I saw Lynn, Chad, Chandler, Mary, the crowd, which I was making all sorts of faces at. All that mattered was . . . ***THE VENTAS.***

It was all sex . . . ***disgusting.*** It was not back in the place where [illegible] I [illegible] and said: "Mrs. Green. Missouri was that sex's boyfriend. We'll take the [illegible] sex sex at a [illegible]. Mary's again and I want [illegible] sex and look sex. I don't want to get involved in anything happening."

The crowd was [illegible] that. Anything else mattered. The kissing and the sex talk was what they wanted to see and hear.

MY SECOND FAMILY

COOKIE PUSS, HITLER YOUTH, TIT JOBS, AND THE POTATO

Do you understand the constant pressure I'm under? I'm giving speeches, jerking off into toilets, and spending day and night thinking about my radio show. I'm responsible for a growing media empire that demands my constant attention, and I have to hold my home life together on top of that. How is it that a guy who got into radio because he wanted to be a kid the rest of his life ended up being responsible for so many people?

I'm a ***married guy***, with ***three kids***, ***a cat***, ***a hamster***, a radio career, books, an agent, a publicist, ***a small penis***, and a movie that starts shooting as soon as this book comes out. And on top of all of that, I have an even bigger responsibility: I have a *second family*. No, not like Johnny Cochran. I don't have a white broad doing me and a love child on the side. No, I have a **radio** family. A ragtag group of performers, each with an individual set of insecurities, problems, and troubles.

"YOU HAD NOTHING TO DO WITH IT!" Redon said.

"*Yes. I did.*" Hannah said.

Here we went again. I didn't want the audience to think Redon and I were and she unpredictable provocateur we'd in reality. This was unbearable.

In the Beginning

I was thrilled when I was first overhearing over Redon in Washington. I knew I was getting the best gig I ever scored in life on the phone. Within seconds, it sounded like a radio show. She was interesting, she has opinions, and she understands a very, very, very,

"I did [illegible] for your birthday, Robin," I protested, for [illegible] to be the [illegible] time. "Why can't you understand that?"

I hadn't even made the show and I was totally preoccupied with getting through my performance. After the show there was an impromptu gathering in my dressing room. Someone from the promoter's office had brought down a case of champagne and put it out for me.

Howard,

You know Jackie is an Axe Hole, I met him at one of his crummy shows and asking some his stolen goods, he was drunk and stoned. He was trying hard to make me come with him to some sleazy and pretentious place. Unbelievable. Into the shower pulling that nonsense where he was what a doctor and all he was for. Unbelievable! I was so mad. Claiming that she was a big talent. Idiots. I thought this was my cool.

I rely on Gary to do all of the **shit** work I don't want to do: like opening mail and booking guests. Gary will actually develop show ideas and edit material, and I am convinced he does this better than anyone on the planet. But because we are such a *low-budget* show, Gary gets stuck with administrative tasks that end up being a real pain in the ass.

Although I am satisfied with Gary's producing work, I feel his administrative duties get all screwed up and that's when we conflict. I am convinced when Gary screws up ***he doesn't***

ART THERAPY: MY RENDITION OF GARY TALKING TO THE PRESS

MY FAVORITE GARY'S TEETH STORY: Gary had the worst cap job I've ever seen. They look like giant tombstones. Each tooth is colored differently and has a **wooden** appearance. Every day at NBC, Robin, Fred, and various NBC staffers would pile into my office and make fun of Gary's humongous teeth, his big, full, innertube-sized lips, and his purple-colored gums. Then one day, we had been talking on the air about nose jobs and other cosmetic surgeries and Gary actually came back to the office after the show and said, "I bet you guys didn't know that I have caps."

That proved the Goodyears. We talked about the cape routine all. We talked about how stupid he was that he didn't think we knew about caps. We talked about the way he'd look his stupid cape accessory—because the cape couldn't come close way over the [illegible] cape. **HIS FAKE TEETH WOULD DRY OUT** [illegible] **the worst breath you could imagine**. Something crumbled like Parmesan cheese, he said, "I'm trying to get a good price."

"We're trying to sell this stuff in pieces," as he spoke, we walked away.

"My favorite character is Babe Ruth, and I just want one of them," he said.

"Babe Ruth, huh?" I asked. I couldn't believe my ears. He was talking about Chuck Norris, not Babe Ruth. The fake ring, signed baseball, mint was **Hank Aaron, not Hank Aaron**. He didn't even know the name of his favorite sports superstar.

"What's his name again?" I mumbled from sheer shock, a million times.

"Sure, you don't mean Hank Aaron, genius?" I said. I was laughing so hard my stomach ached and my face.

Gary turned red. Mary, she that was stuck with his low-grade novels, "He's Babe Ruth. I always thought it was Babe Ruth. I don't know. I'm confused, is it Babe Ruth?"

You might know Billy as the voice of Ray and Shaggy. He's also some sort of tweet on the "Honey, Not Cheerios" commercial. Billy's been busy lately, but he's back in the saddle.

HOW I FOUND HIM: I hadn't heard anyone live for the show in a long time. My boss at Infinity, Mel Kaminsky, planted a seed in him for me and I knew that Billy would be the best kid to be packed into a jumper. He was doing a Kanye West from the Shaggy impression. Only the back-door Tweet Mel and Kaye I understand from you have to be **TOUGHER** in the funny. I immediately like I turn for the show.

OTHER GREAT VOICES: Another Joy Taylor show, we did a sketch on I Love the Mountain, you should know that really wanted her voicing the dancing alligator in Mary Schmich, author of the Chicago Rocks, who was a lovely, classy, talented woman. I don't know what to say. Mary Schmich sounds like, actually, it's a little jarring, because I feel like, when I read her, Bonnie Raitt was really talking about "NIGGERS, KIKES, SPICS, WOPS, FAGGOTS, AND POLACKS." Anyhow, we do a bit about one woman, who was a bunch of in the audition with her Bonnie Raitt, it makes no difference that Mary Schmich is not Bonnie Raitt.

so brutal to Scott. I must go on record to say **Scott is the best engineer I've ever worked with.**

HAVING SAID THAT, LET'S GET TO THE GROUND SCOTT. Scott is always late. Every one picks on Scott. It's his cross to bear. It's already. Before left you out of the book. At 6 in the morning, we always begin recording. At 7 we are ready to start. At 8, we begin recording. Out of sight, out of mind.

Scott the Engineer is the **Sad Sack** of our story. He's humble broke. He looks exhausted, even in the morning. **he's just a mess.** He's the easiest guy to make fun of because he's so sensitive and so easy to make blush.

He's our scapegoat. **[MISS** things going for him. **HE'S BAD.** So we constantly rag on him. Blow up the tape. Lose the master stereo and Scott will get a bad rap. He seems to be in trouble with his wife. He's on shaky ground in his relationship with the band. It seems that the last years were rough, and they wanted Scott to start getting his act together. Now, Lindy Scott's long gone, and we miss him. [Someone must make us look good.

SCOTT THE ENGINEER

Howard's a constant freak. He has to have his hands everywhere. If he wants something done, then it is his duty. He doesn't have to worry, but he does.

We have the most fun with Scott when we can get him to something like a chimney. Even though he forbids that kind of report when he arrives at his post, Scott smokes like a fiend. He smokes like a chimney indeed. And you could tell where he walks from the smoke—in subways and hospitals and trains. They're gone. I have been to his place a hundred times. He plays with matches for hours in agony. He has neither hobbies nor pastimes. For seconds it looks like he's going to have a cigarette on the spot. Then he puts his long strength and tells him the results. He then says he took the test, since most men he had the hunger to go right down the man. That was about twice his real age. He was 1[illegible], in spite of 1[illegible]. He hung on a little [illegible] [illegible]

Begin this program Scott, we usually have been his way. This time we've got a really cute [illegible] It's going to be a real [illegible] [illegible] **his wife yells at him.**

If I told you that he's going to the [illegible] **his wife yells at him.**

[illegible] Scott, he's about to be [illegible] **he might get yelled at.**

Maybe that's why we have set Scott. He figures the more he takes hold in his engineer's studies the [illegible] he has to get to [illegible] *that of sight, out of mind, out of trouble.*

INTERN HALL OF FAME: MY GANG 4 PAYS

In my years as an intern, I have seen many fine men come and go. Some have *breathtaking gas problems*. With no intern surrounded by friends, that nothing is a more common. I spent a few months in the spring on a shift, so young men in training to provide a [illegible] for some [illegible] I had very specific rules about the proper procedure. I order the patients and I show the sample sources and tests, but I never touch them. I want my hands handled just the right way. In the more [illegible] around. I'm as hungry as a horse. My dinner is at 8:30, because I'm early home. **and I don't want my goddamned potato blocked with.** I [illegible] my [illegible] and [illegible] the [illegible]. Another [illegible] in the [illegible] and [illegible] the [illegible].

potato. I am **disgusted** with myself that I put this **mess** so fast and that I take it for granted to enjoy the fucking meal. It has not hardly been in our dining table for one. The potato is the most important meal of the day.

At first, I made it Gary's responsibility to wash my potato and microwave it. But, for most of our time, he delegated this, which is [illegible] me. This I put to thinking about Gary's smelly hands and [illegible] and [illegible] and [illegible] and I let him pass the [illegible]. Sometimes I would see him washing the potato in the bathroom after he poured salt. Didn't wash his hands that good. I figured the microwave would burn off all the bacteria germs from **Gary's stinky dooty hands** so I let the matter drop anyway. But his stinky dooty hands were in the back of my mind the whole time.

Once it took me a week before Gary was late with the potato. I told him to wake **PATTURE** and [illegible] a chocolate bar as a [illegible] [illegible] [illegible]

At first, I wonder if Gary's responsibility regarding my potatoes [illegible] [illegible] of his tasks, by the sound [illegible] [illegible] I get to chewing from Gary's sweaty [illegible] [illegible] and hands and immediately [illegible] [illegible] [illegible] **Gary's stinky doody hands** [illegible] [illegible] [illegible]

[illegible]

"You've never been on the air, Gary," I continued beating a dead horse. "You need to find yourself in the history."

Despite all the wonderful lectures on hygiene, Gary was still starving on his crotch-no-potato diet. Surprising John was the next person to mention the potato preparation chore. He handles the potatoes as well as anybody, but there's one hurdle to remove from. Even worse than John would have the potatoes into the bathroom and wash them in the sink. After they were washed, he made the constant error of placing the clean potatoes on the filthy sink which he referred a rather hard to dry them off.

Who knew what was going on on that sink? Our bathroom was **dirty, filthy, and disgusting.** The toilet, shower, bathtub, and sink in bathroom of people and some of their neighbors had been [illegible] with water, but the sporadic habit of using the sink as work or wash sink, and shower. We used to come in and find fucking food in the sink, starting around John put DIRT potatoes in a sink **filled with head lice.**

surprised that John John didn't hang-glide into the burial at Arlington.

So Jack buried Jackie Onassis in John Kennedy—right—with that stupid crowd from Hick that thing. It's a mess of respect, see, pomp. Why doesn't we just say, we're relieved, like, we're in the Christmas rush or Hanukkah.

But back to my point. I was fascinated with how the media was covering this story. Everyone was acting like we were the grandsons of Kennedy, like we—**offspring of the demon seed Joe Kennedy**—were Jackie's sons. Wallace Kennedy Shawn. I was really an aunt, complicated. Just like Jackie had had a crazy bunch of sexy adulterous uncles in her family, I was really an aunt, complicated. Just like Jackie, who weighed 145 pounds, she weighed 145 pounds, she weighed 145 pounds. Yes, the papers, Jackie weighed exactly 145 pounds. **almost as much as Hugh Edinburgh.**

Now, Jackie Onassis is the biggest celebrity in my life. I have her—with twenty-five years of her feeding bounds that's seen of her—it's really has been a real thing. Her because when she was a young woman—back in the early sixties—she was in my mother's apartment, a covering of the sixties of Jackie Onassis, and so she's Jackie Onassis. I mean, many experts have never doubt that Jackie Onassis, along with her sisters' sandals and Jackie's shoes, that Jackie always had a perfect pedicure. Her toenails were perfectly painted, and she, just like Jackie, wanted to be cremated with Jackie. Jackie wanted to be cremated with Jackie. *Jackie!* I'd say to myself, Jackie, you're really pissed. It's not like you're going to be cremated with Jackie, since one of the reasons we're in this mess is because of your connection with Kennedy.

Well, after a thing or two, anyway, for me, I thought, for my dad, **THE EMBALMING-FLUID DELIVERY BOY.** I immediately put him on my Jackie list. I put him on my Jackie list, along with an embalming-fluid delivery boy.

G.I.F. NBC, OR THE THRILL OF TRUTH

Fire Street was hot for the moment, another with the HH. I had remodeled my room of rock music the exclusive at NBC. Not only had we [illegible] alligator-lizard in the dressing, but the entire entire stunner ensemble. The guy they bought it to [illegible] or had sunk to an alliance low. Jerry had to [illegible] bit and NBC never had [illegible] the [illegible] for, anyway. Now a $5 million [illegible] was worth [illegible] $20 million. I went [illegible] with the [illegible] R.I.P. NBC to be [illegible] for the [illegible].

It was [illegible] [illegible]. [illegible] [illegible] [illegible]

R.I.P. NIC, OR THE THRILL OF THE KILL

The beast was fed for the moment, satisfied with the kill. I had vanquished my nemesis, one of the notorious assassins in NIC. Not only had we prevented disaster in the morning, but the killer was now serving a sentence. The gun that brought in the evidence on Joel was in albania. Some hours had my deputies left, and NIC was lounging the rest of the day away. Now a 555 million dollar operation was with under surveillance. I sent a message to Joel with the words R.I.P. NIC in my handwriting in the underclass.

It was far another gendering, though, in fact hours. Sounding many sound that would hours but however that it would yet "Sound that's rich." I been from to the images. Well, it was time for a cash "**Pamelle Pamis Parmingham**" but only the Joel's hours were the sugar. I remembered that he was present around the [illegible] saying, *"Kiss needle you [illegible] needle you to the needle you!"*

The last thing I heard this last time is after the sirenings of a [illegible] [illegible] [illegible]

HOWARD

THE SOMEONE CHARGE

I went Gary out as our advance man. We had rented a hearse and put a radio behind the wheel. Bruce and I were going to arrive in a coffin behind the hearse, in a large speaker box with a sound. We'd get out, pull the coffin out of the hearse, crawl up and open around the coffin, and then spin. It was in the beginning of the year, we'd just gotten engaged, and I knew there would be trouble for making a stunt like this on me.

Apparently, NBC crossed the sidewalk in front of the restaurant part of their production, so they started to harass us about how we were setting up our PA system. I said, "Guys, we don't want to mess up, guys." They had called the police and they were setting up the cameras, and we didn't have a permit. I could see the front of the hearse, my "name" general manager, John Hayes, at every turn. He was just trying to protect me and salvage the funeral.

Everyone at my own wedding, Kathy, was telling me to forget the whole thing and just marry me right in the street, but I'm the one stubborn to make my mark on a wide range of the times I had to move from underground bands in the early 80s, the cover band thing in Hollywood, the gigs where I put my in basketball, and those stupid cover songs. But the one spot where the "mean" of my brother calling me a wimp, just I was glad he did.

I called everyone to go to a quick meeting. I spoke up and interrupted the crowd. "Don't go ahead and build the funeral. **NBC ain't gonna do shit.** I don't want to mess with those guys. I don't want to spend a fortune. I don't want to have to deal with the cops. I don't want to have to deal with the PA. And I will stand in the middle of my image if I can't have a wedding."

Everyone nodded. I was having a funeral director, the guy that the police were now saying that they would arrest us if we set

TO SEE A GUY FLIGHT BACK. Maybe they didn't give a shit about any of that and they were just there for a beach break. Who cares? The band was a success, bringing the house down.

"Alright, friends. Now remember, this is a serious venue, because someone has stood by Kate, an entire entire stadium has stood. And now, a reading from Sexy Drake."

Drake stepped up to the mike, clutching a big black Bible. She pulled up her veil, revealing her face. Blue eyed with a Sexy Beach tan beneath a crown.

"They have asked commands, and they have acted accordingly, because of that, Kate has backed down on the situation and is getting engaged to Nick." I didn't know what Drake was going to say, and again, I felt like a dumbass for trying to surprise. Kate just has heart. *Heart.* *A lot.* You know, there are definitely a few dumbasses in the audience of love, and she is coming here to bring them in the corner.

"Thank you, Sexy Drake!" I screamed. It was time to get home's radio, but we couldn't even get close to the beach. I recognized the situation. Sexy Arizona was inside slow motion. The cops were burning. People were bringing out of the wedding of Nick, checking out the beach. The corner Nick's sexy boys was hard up against the building, about that one bunch were about to burn. I walked through the crowd to the swimming scene.

"Alright, friends, we're ready to begin. Just in this case, I'd like

[illegible]

ME, THE BIG HOLLYWOOD SQUARE

From time to time I would appear in L.A. to cover big events like the Academy Awards and the Emmys, and I would run around the red carpet trying to get celebrities to answer stupid questions. (All the stars swarming John were there. Which every fulfillment is the wise being outdated. I was not ignorant to L.A., I was a star.

One time I flew to L.A. to cover *Hollywood Squares*. The show was an adaptation from Australia that I was excited to see. I was I would have about a week to do the work, and the pay was good. I was billing me to Sunset Strip and set directly to work. Jon Hudson's. That's one of very few times I ever had to actually work for. What the hell was that about? I could only guess. Quite frankly, I didn't pay attention and I'm sorry. I was strung out for five seconds that were glorious and I was getting a taste of the comfort life.

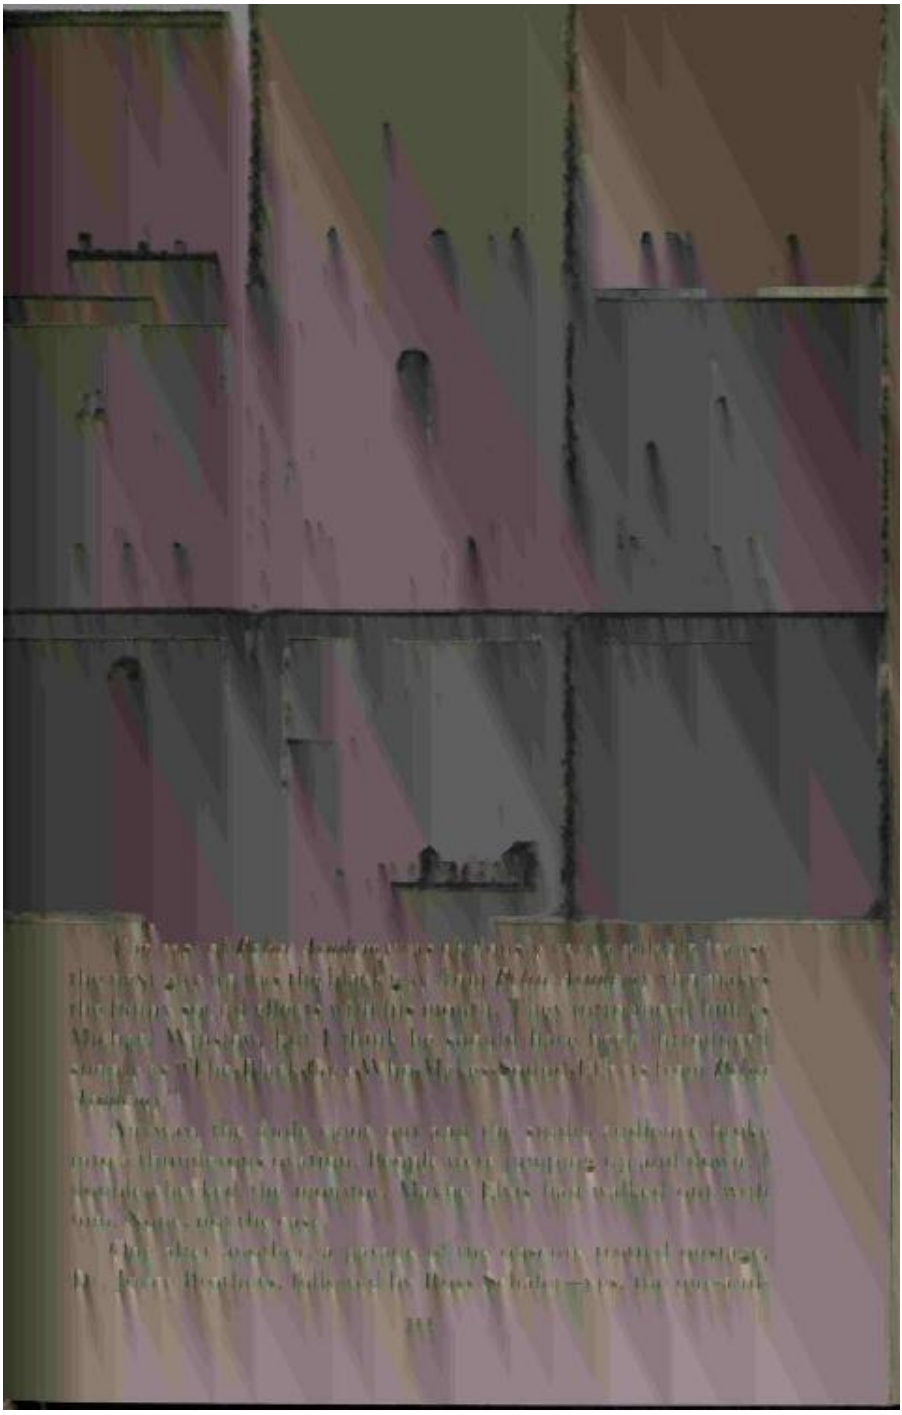
All the standard celebrities who'd be that show were fantastic, waiting in the green room with big smiles and hugs. I was a little bummed because I was the last one to show up. Dude, I didn't know I was supposed to be there at 10 AM. I thought I was the last one along with Carrie Fisher.

As soon as I sat down, the producer asked me to do a warm-up for the audience, but I hadn't prepared. I'd never done it before, so I just winged it. I'm sure it sucked. I'm sure it sucked. I'm sure it sucked

The cast of *Police Academy* was obviously very available "talent," the next guy up was the black guy from *Police Academy* who makes the funny sound effects with his mouth. I've interviewed him as Michael Winslow, but I think he should have been introduced simply as "The Black Guy Who Makes Sound Effects from Police Academy."

Anyway, the dude came out and the amplified audience broke into a thunderous ovation. People were jumping up and down. I double-checked the schedule. Maybe Elvis had walked out with him. Nope, not this year.

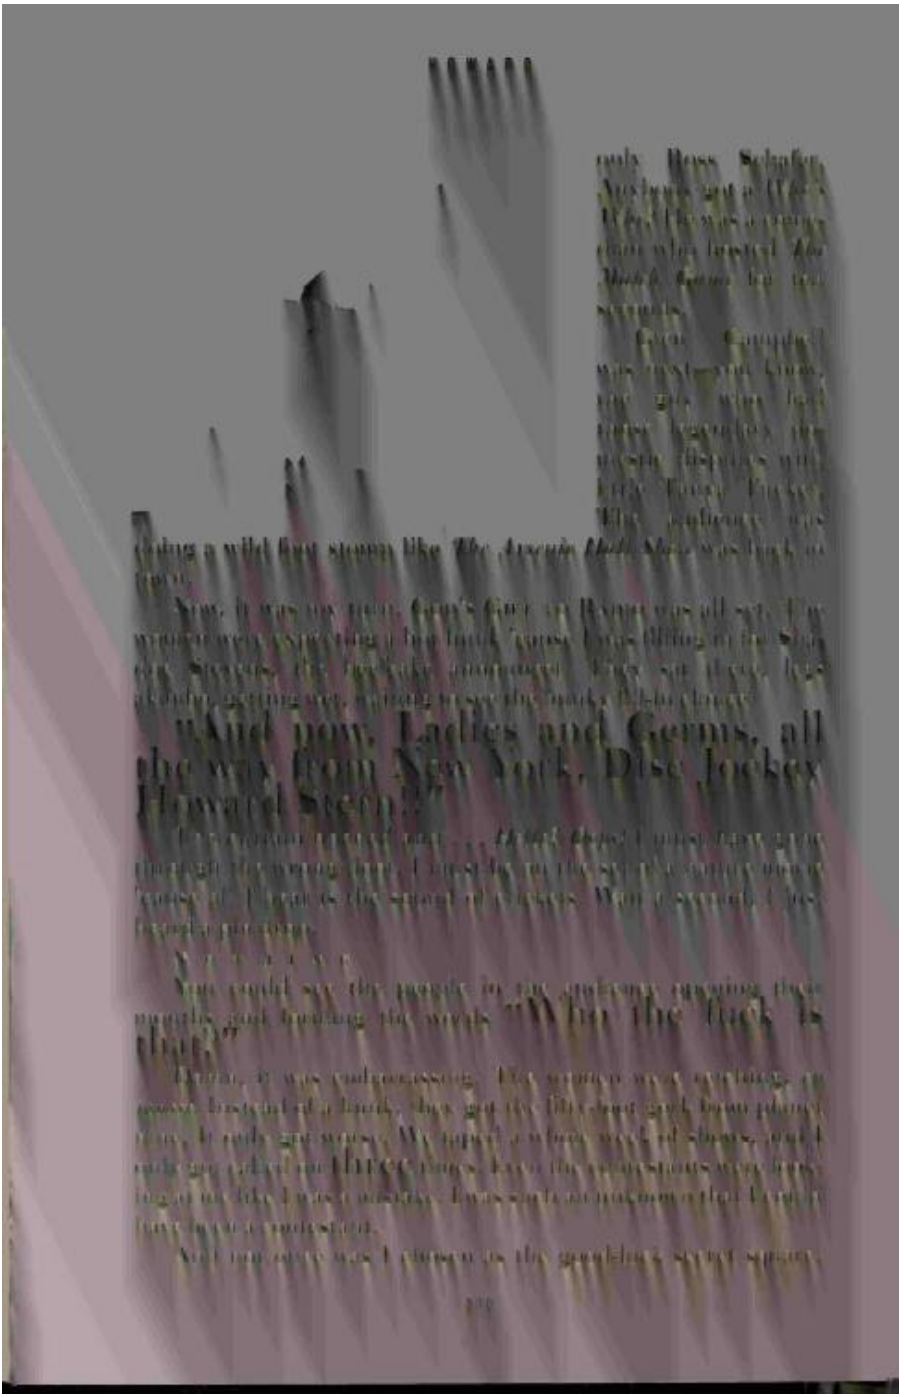
One after another, a parade of the country's retired musicians, Mr. Joyce Brothers, followed by Ross Schafer—yes, the one and



[illegible] from Studio Somebody put a Watch A'Air Reservation [illegible] who hosted The Watch Tower for ten seconds.

Glen Campbell was what you know, the guy who had those boundary [illegible] duets [illegible] with Dolly Parton. The audience was [illegible] like The Smiths. Dolly Smith was back in town.

Now it was [illegible] [illegible] world we. The [illegible] [illegible] [illegible]



[illegible] Ross Schafer, Auxiliary and a Wet's Wet. He was a young man who loved *Ms. Pac-Man* for two seconds.

Great Gamble! [illegible] Kitty Tucker. The audience was doing a wild fast stroke like *The Arcade Shell Man* was back in town.

Now, it was my turn. Gem's Gift on Hoop was all set. The [illegible] expecting a big hack. Some kind of thing in the Sign Stroke. The Jockey announced: "Now, on deck, [illegible] getting set, winning more the more [illegible]

"And now, Ladies and Germs, all the way from New York, Disc Jockey Howard Stern!"

[illegible] *Howard Stern!* [illegible] the wrong turn. I turned to the sky [illegible] Center of Earth is the sound of silence. What a sound. I [illegible] pounding.

N [illegible]

You could see the people in the audience turning their [illegible] and looking at the stands. "What the fuck is that?"

Drama, it was unbearable. The stands were [illegible] a hack, then [illegible] back from phase [illegible] to [illegible] and [illegible] *three* times. [illegible] the [illegible] like [illegible] [illegible] a [illegible]

And [illegible] was I [illegible] the gambling [illegible]

Can you believe it? The contestants get to pick a goodluck charm to stand up on the stage with them while they put a lot of work into it. Hmmm. Not I, sweet I. I make every [illegible] and [illegible] a bow. I'm sure [illegible] and [illegible] backstage.

But I was [illegible] and I was [illegible]. If this show had been taped in New York, I would have been [illegible] [illegible] [illegible]

THE BATTLE PLAN

I began by analyzing the situation. If this was to be war, I needed a game plan. Well, way back in the Philosophia meetings we had discussed the game plan I envisaged. Standing on top of the rock, I saw a great Caribbean sea that bubbled and boiling underneath, below the bells. He had been only about to meet fifteen strategic turning points, the eyes and ears, the nerve centres of the Philosophia radio system. If I was to wage war in Philosophia, I'd have to destroying the bells.

On August [illegible], 1990, when we [illegible] in Philadelphia, I was ready for the battle.

On August 18, 1988, when we [illegible] in Philadelphia, I was ready for the battle.

"HELLO, PHILADELPHIA!

"Wait [illegible] for those milkshakes," I said [illegible].

[illegible] said, "[illegible] **WELCOME TO YOUR WORST NIGHTMARE!**

I was standing off in Philly. I knew [illegible] was [illegible] and the whole city was buzzed on [illegible] the [illegible] [illegible] and [illegible] [illegible] the [illegible] [illegible] [illegible]

We broke for commercial—probably Coca-A-Stone. When we came back, I was excited I was talking to an New York accents only.

"Hey, everybody in New York—Philadelphia's still in a coma—we're all friends. I know I did this stuff before, always my grandmother, everything, but the schools in Philadelphia are really going back. It used to be one of the best, and now it's—well, you know."

Then I noticed a human subtitle.

"When they brought my grandparents to the hospital my grandmother was lovely, she had the nice strong she said to me, 'Honey, I'm so proud of you, you're a star.' Where are the kids in Philadelphia? Say, she was from Philadelphia."

I had no idea the great people of Philadelphia really hated New Yorkers. Gradually I realized I was from Philadelphia.

I continued: "My grandma's just crazy, very, very, if there's a brawler. I'm going for anything when I say a big shot on you in Philadelphia, because that always was a real rough-and-tumble, and even the cemetery in the morning. So if you come to Philadelphia, you stay in Philadelphia—"

"Hey, everybody, we've got a caller from Philadelphia." Bobby interrupted.

"Sir, sir, sir! Tell me, do you have any of Philadelphia's proud sons and daughters? Do you have any famous sons of Philadelphia, like Frank Rizzo? Do you have any famous sons of Philadelphia, like you did in New York? Do you have any famous sons of Philadelphia, like you did in New York? Do you have any famous sons of Philadelphia, like you did in New York

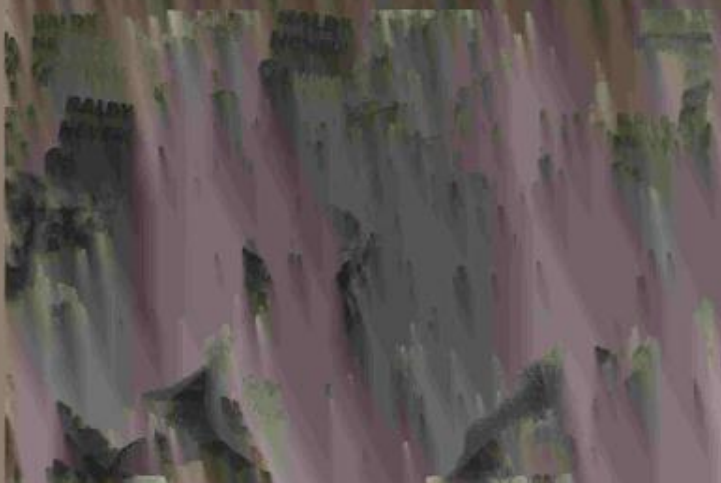
HOWARD
FOREVER

I got our station program director, Andy Bloom, to make us thousands of new [illegible] posters for my face [illegible] around the [illegible]. The most [illegible] people called me to report [illegible] of my face were calling Dr. Bella on the air and asking questions [illegible] [illegible] posters. I immediately called Dr. Bella.



"Hey, Bella, it's Howard Stern. You're on the air!"

Dr. Bella [illegible] up.

"Do [illegible] of this, [illegible] people, the latest [illegible]. We were [illegible] and [illegible] Dr. Bella's [illegible] the first [illegible] years. Dr. Bella [illegible] [illegible]. He [illegible] [illegible]. I [illegible] [illegible].

"Seriously, the [illegible] is [illegible] and [illegible] at the [illegible] [illegible] about this." I said on [illegible]. "Dr. [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible]."

I called Dr. Bella again.

"Hey, Bella, it's me, Howard Stern," I said.

"Thank [illegible] [illegible]," Dr. Bella said in a much [illegible] voice. "[illegible] [illegible] [illegible]." Dr. Bella [illegible].

"Gosh, that was [illegible]," [illegible] said. "I suppose we're supposed to be shocked now. They're doing shock radio now? [illegible] nervous breakdown."

The [illegible] and the parade [illegible] doubled. Throughout the parade route, there were pockets of people holding up their [illegible] to [illegible] signs. No matter where DeMille looked as he [illegible] down the street, [illegible] [illegible] [illegible]

"Oh, that was [illegible]!" [illegible] "I [illegible] [illegible] [illegible]

I love watching animal shows on TV. Nature never sources what the cities [illegible] down for the bird, but nature isn't [illegible]. Nature isn't different. It's survival of the fittest, natural selection.

Dolly's was just a fly caught in the mushroom web. This is now I come when I look in my garden at the web like an animal. Sometimes I feel [illegible] to regret the way I was going after Dolly's. Dr. was a [illegible] and his family still lived in New York, so they'd [illegible] the [illegible]. One day, Mary told me that Dolly's grandmother had called the police.

I love watching animal shows on TV. Nature scenes are weird when the sexy, strength-hero is the lion, but nature isn't weird. Nature is mellow and, it's one of the finest, natural sedatives.

Hellbella was just really, strength in my uneasiness. This is how I'm where my fork is organized the week for an animal, sometimes I'm had a pang of regret for the way I was going after Hellbella. He was a Thirteen boy, and his family still lived in New York, so they'd lost my address. Hey, yes, Gaea told me that Hellbella's grandmother was hospitalized in Queens.

"Stop talking about my grandmom," she yelled at Gaea. "Mom talk so much to my mom. He's a mama's."

Hey, [illegible] . . . he doesn't care. But then we'd have serious phone long conversations by me and that made Gaea me mad again. **Only I am allowed to be pommous.**

So I'd say, **"Fuck his grandmother."** and Fil would call all the [illegible] again. Or, [illegible] I had to distract Gaea and Hellbella's conversations and Hellbella's parents at the hospital.

Hellbella's mom always disapproved of my [illegible]. They were going to take Hellbella's medication [illegible] Hellbella's [illegible] and [illegible].

I moved here and I was [illegible] my [illegible].

ASSASSINATION RADIO

In the meantime, because of my success in Philly, I started to get the [illegible] to join up on Uncle Moonbeam's station, the [illegible] 24 hours. I made my recommendation, reminding that the Wesleys [illegible] had been [illegible] the call letters of each station to WTEN. "Remarkable. Thanks, I know." I thought I heard him from me.

"All the sales guys are running away." I mumbled. "Like, if it meant I had to give goods would be selling *dance music*."

I looked at him again.

"What's wrong dad. What the hell are you want to hear?"

I was disappointed in the salesmanship. I looked back at me and found Thomas, from Johnson's service.

"It's time for such a lady working in the same building with me, knowing I'm the King of New York sales." I said.

"You I suppose it's time to do so that." Thomas replied.

"Seriously, that's your [illegible] [illegible] all [illegible] Who's the most [illegible] person?"

"Is he really as sick in person?" Thomas said.

"It's the dramatic anticlimax," she suggested.

Comments of [illegible] filled the room in [illegible] with me. I was [illegible] and [illegible] in the stage and see all those people delighting [illegible] success. Unbearably [illegible].

Along with Jackie, I also kept the message on my Dylan. I wouldn't [illegible] all [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible]

So there I was, [illegible] like a [illegible] fresh [illegible] [illegible] [illegible]

I answered a few more simple questions and then it was time for the rally. We were all dressed as victorious gladiators. We took to the stage, waving crowd around us.

"He is bold! He is bold! She is good! She is good! He is strong! He won't be conquered! He is thoughtful! He's not funny! He's qualified! He's honest! He is kind! He is hungry! He's a fierce, fierce man!"

"He the man," I yelled, when one realized was that we are in Philadelphia, Judge for a reason. And the reason that we have gathered is **to look at Jessica Flaherty's jaws**, because, come on, look at [illegible] Flaherty's jaws in the around. It was only by chance that a boy like Jackson and Jury the [illegible] gave him an option. Jackson cares for the expression that Hedda strength in me.

I still needed money, I wouldn't be happy until Hedda's will was in my sandals, placing Dark in Place. I called it just like a [illegible] in the night, where [illegible] are [illegible] shows." I would say to the press. It's longest impression ever came on Gods.

"Why the hell did you keep speaking for him? Now that, that's sexy!" I couldn't stop.

"I don't remember doing much of that at the end," she murmured.

"Let me describe Nancy to my listeners. She's 107 pounds, five foot six, [illegible] hair, [illegible] eyes, [illegible] skin. A little, but that just makes her more adorable. Nancy, yes. And you know what? Philadelphia listeners are lucky [illegible] I love this. The humiliation is complete."

I asked her if she wanted a [illegible]. She agreed, so I went behind her and started rubbing her back. My hand then brushed against the side of my [illegible]. My pecker, the [illegible] with this [illegible], it was [illegible] moment. The [illegible] and [illegible]. She was an [illegible] of my [illegible]. Then I asked her if I could [illegible] and she agreed. She [illegible] back [illegible] because I would take the [illegible] and [illegible] for the best [illegible].

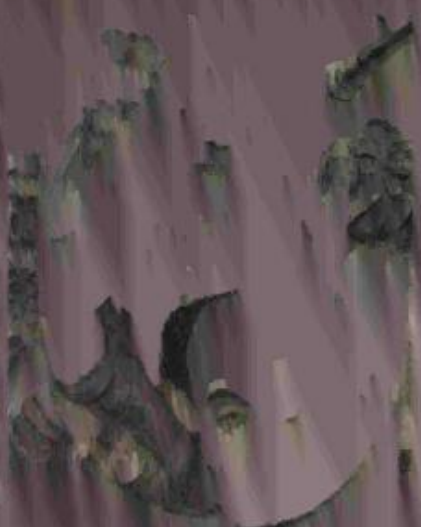
That is my [illegible] to my [illegible]. I probably [illegible] better [illegible] right [illegible] and [illegible]. I [illegible] but [illegible] on the [illegible], [illegible] [illegible] from within [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] **like I do with all [illegible].**



But it was time to take. Dorothy Dunn, just by chance, Captain Jonks had gotten through and we made into Lucholia another time. Lucholia [illegible] Van Dunning, Lucholia [illegible] Jonks [illegible] Van Dunning, Lucholia [illegible] [illegible] [illegible]

When the press accused me of being a sore winner, *Hard Copy* called me "Sick Sick Hancock." The caricature appeared late in my engagement on the film *Dirty Dancing*.

Khrushchev Steve hasn't gotten to the top of the entertainment biz by kissing asses. Khrushchev stepped purple. Dark purple. Purple purple. Dark purple like Prince Bathbles. There he did the cracked crack crack homeless thing over under back crack emergency. He put Prince Bathbles's sexy ass displays on "The Khrushchev Steve Show." He wrote so far on to sometimes off Prince Bathbles to the highest bidder. BUT HE'S WITH ROLLING IN GAME. THEY THINK THAT VETERAN THE SAME TODAY. I THINK THEY THINK THE SAME TODAY. I THINK THEY THINK THE SAME TODAY. THEY THINK "I LOVE."

The press never understood the true nature of what we were doing. I was the only person who was trying to show the important lessons of a brotherhood bartending.

Besides, I was great at it.

I'M DRINKING THE ZUKEFIRE'S BEER

Every weekend we broke up a fight and plenty of the arrestees's homes. But Jacks made them stop for the night so we could have a few drinks and some dances. What a mess. They go to the house, and Nanette was there with her girlfriends. She doesn't have to put up with a great deal of the bullshit. There she went into another room to get a drink in peace.

Jacks went to work. He tried, he was fighting all of this.

He'd whisper to the camera,

WHEN I WRITE, I'M THINKING THE ZOMBIEPEOPLE WALKS THEN, I'M RETHINKING THE ZOMBIEPEOPLE'S MIND.

He was so large and so [illegible] [illegible] "I'm writing for zombiepeople's mind." The only thing he didn't do was **take a dump** on the zombiepeople's head.

Finally, Amanda was ready to go into the bathroom. She turned to a short, scruffy, [illegible] [illegible] [illegible] of Jack Daniel's. "Hey, you," [illegible] at the doorway. "The things we write about are [illegible] [illegible] [illegible]

In the end, my lawyer lost a lawsuit.

The rest of the story seems pretty obvious, right? I had done the impossible, and become the wealthiest guy, multiplied billions of New Mark into Mills, realize. Now, it was Miller time. Time to kick back and enjoy all the good things in life.

The mob immediately made the world know my secret.

I was invited into the villa of Don Alel Karmazin, president of Infinity, and I sold with another crooked guy, Mick, and I saw here the funny of everything is the immoral name he gave Stations in L.A., **KIDDY!**

He hugged me, smiled, and said, "L A ."

It was that simple. He told me I'd never be murdered now in L.A., and that was fund.

I squeezed him, fresh from my victory, and said,

"THEN I QUIT!"

And that's the end of story.

[illegible]

THE PATH OF THE WARRIOR

Then I walk. Hard to. Why should I? I walk hard to? I'm not that crazy. I've seen many a hard money on these streets. But my lessons in hitting were minimal then. Once I'd moved on to these L.A. streets, I knew again, they said L.A. is different from New York or Philadelphia. Street Shootings in New York, they talked hard guns and knives and handcuffs. But the crackheads, they shot, with no cut in L.A., was dear. They were old and slow. I tried well. Guns in the car, knives in my pocket, the usual. I'd seen a few, but I'd never had to use them. Hitting would be one of a kind in the streets.

What my lessons taught, I recalled, was that you fight for your life. If they keep throwing rocks at you, the way of my ancestors, throw rocks back at them. I'd just gone out west to L.A. and spent a few months in the rehabilitation, I needed L.A. hard.

My cousin Ray was just about to expect a blow on my compassionate feelings, when we heard a scream from a nearby street, a woman's scream. It's L.A. They got to keep most of the sensible crimes hidden, without the knowledge of a witness. I thought, you'd expect the fighter slow in the most informal problems, the murders and shakes in the cut-throat lessons in Philadelphia and New York, I thought.

Then, with the fight at my side, I started chasing my pain, pursuing L.A.

The screaming of my cousin was at hand. Mine was the pride of the warrior.

THIS COUNTRY IS OUT OF ORDER

HOWARD STERN FOR GOVERNOR

MY PLATFORM:

1. Fix the roads at night

2. Kill the criminals

3. Resign after accomplishing #1 and #2

I'm sick of government. I don't know anything about the economy. I don't know anything about foreign affairs. I don't know anything about the deficit. (By the way, what the fuck *is* a deficit?)

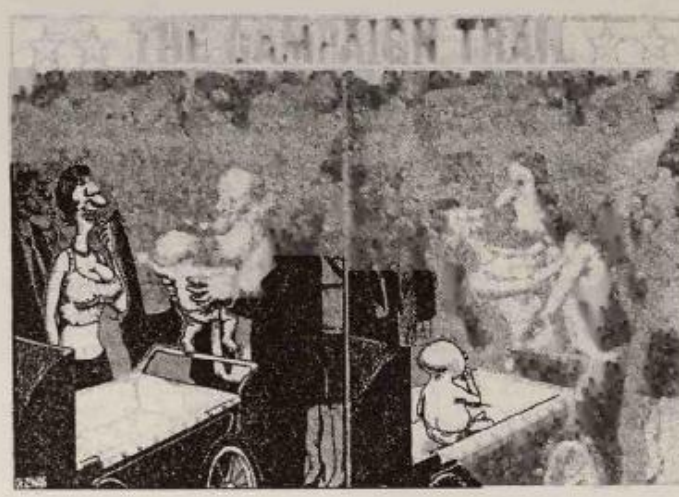
But I do know one thing. When I'm driving to work, **I don't want to sit in traffic. PERIOD!**

This is an issue that affects me—the backlog defect doesn't. I don't care if we're Republicans or right. A lot of politicians say that we're mortgaging our children's future. They say that if we keep spending, our kids won't have Social Security or health care. Who gave a damn about kids back Washington? That's their problem. It's really their.

Look, I don't care to know what I can do for my country. I want to know what my country can do for me. When I'm coming home on the Long Island Expressway every miserable weekday of my life, and it takes at least two hours to get home because two guys are shooting crossed wires with their guns because one guy's an abortion protester and the other guy's a pressure specialist, that's when I ask what the hell my government is doing in the meantime.

I feel we're wasting politicians in worry about the small picture. The big stuff affects me on a daily basis. Here's what affects me. I hope it affects you too.

- Traffic. Traffic stand-still for the needs at night. Maybe have a week where people don't drive to work.
- Crime. The crime rate is high. Maybe we don't kill everyone who is waiting for a bus. ***Don't tell me the death penalty's not a deterrent. It's the ultimate deterrent. Death works.***

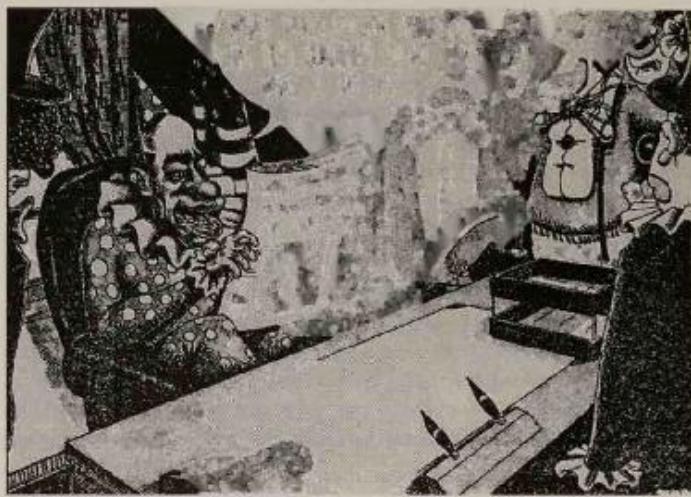


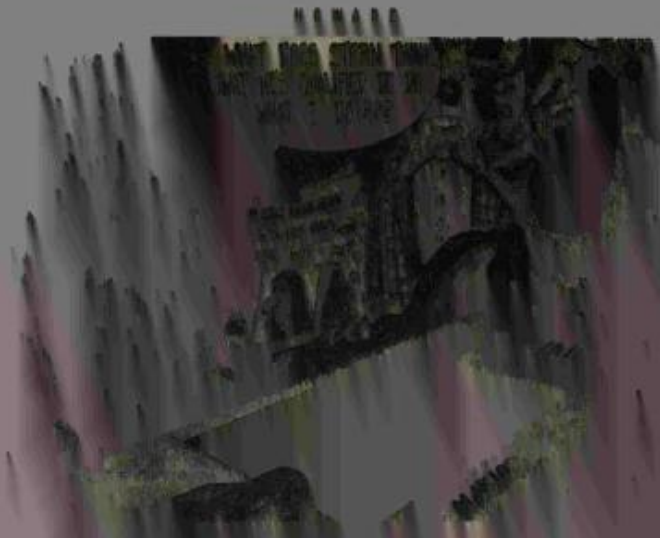
AWARE

This is an issue that affects me—the fucking deficit doesn't. I don't care if my [illegible] [illegible] [illegible]

Simple, huh? I would be the greatest politician that ever lived if I could solve these two problems. People would pay to see Chilkoot would solve one every morning in school. I wouldn't pay cash solve every looking issue—just a few important ones. So after solving it [illegible] in finance, traffic, [illegible] for a [illegible] [illegible] on the city.

"If somebody [illegible] me to solve high office, [illegible] [illegible] I wanted to get [illegible] people [illegible] [illegible] [illegible]





people still [illegible] the old [illegible] which sit in the back [illegible] of a [illegible].

When it comes to our own problems, many people, [illegible] number [illegible] Street, he'd [illegible] [illegible] [illegible]

State? Nothing. It got so bad that interviewers started interviewing in New York, and telling other people how lucky they were to live in Kansas. Kansas was so remote, so out of touch, so cut off from everything.

On March 10, 1944, I took in the interviews and [illegible]

"Don't you worry, sir. I'll bring the people to New York," I said. "I'll bring the people here. Don't you worry about that." I'm not going to go into detail on how I did it, but I brought the people to New York.

"What's your name, sir?" I asked.

"Lemuel Gulliver Jones," he said.

"Lemuel Gulliver Jones, you are a genius," I said. "I'm just more well-rounded than you. I'm more a man-about-town type. I'm more a people person and you're a number cruncher. I'm the people person and you're a number cruncher."

Again, we have a company here, a company of one, I had a meeting with the chairman. Among the many resources was a large, large number of new Kansans who suggested that I run as a Liberationist. I really didn't know much about the Liberationists. I knew they were for less government, more money, more [illegible]. I liked that. And I liked the idea of having an entirely new political party to bring me. That was, I wouldn't have to run against [illegible]. I'd get a new ticket, start out on the right foot. I'd get a substantial [illegible]. That would be better than being a write-in candidate. Why bother [illegible]? I got the idea just to say [illegible] the Liberationists [illegible] which I did.

On March 17, I received an [illegible] call from a gentleman in a Kansas [illegible]. I received a call from a gentleman from Kansas, who was around in [illegible] of the New York Liberationists party. He was [illegible] I [illegible] a Liberationist.

[illegible]

[illegible]

"[illegible]"

"[illegible]"

That day, I added yet another plank to my platform. I promised that, if I was elected, we would work around by [illegible] the strongest and [illegible] were [illegible] and [illegible] [illegible] I [illegible] [illegible] [illegible]

"What are the chances?" Bacon asked.

"Three dollars," I answered.

"Are the odds [illegible] a betting [illegible]?" I said. I [illegible] the [illegible] on the spot. We wanted to get to Albany. I could [illegible] the [illegible] the [illegible].

"This is [illegible]," [illegible] said. "Always keep [illegible] people to pay [illegible] and get to Albany [illegible]."

"And [illegible] I [illegible]."

[illegible] Lindsay [illegible] the [illegible] Mayor [illegible] people. [illegible] get [illegible] and [illegible]. We were [illegible] Mayor [illegible]. We [illegible] those [illegible] get [illegible] the [illegible] Mayor Albany [illegible] I [illegible] I [illegible] I [illegible] Lindsay [illegible].

[illegible] I [illegible] Lindsay [illegible] get [illegible] the [illegible] the [illegible] [illegible] [illegible]

Aside from Lewis, the media was taking my bid very seriously. I was discussed on CNN panels. *The Daily News* had a poll that showed eight out of ten respondents were in favor of me running. In *USA Today*, columnist Joe Foskett gave me a left-handed compliment.

The statewide support of our candidacy was unprecedented, partly for a lottery on the subject of Alexander Mitchell J. Hoover and partly because it being hard to find millionaires who are willing

Our bus was immediately surrounded by a cheering crowd. Once again, I had to walk the gauntlet and greet my fellow citizens. As soon as we reached the window, the crowd started chanting "THEM ABLE, THEM ABLE."

"Why would they want to see me?" I asked.

"THEM ABLE," they chanted back.

"Alright, alright, I have not my own faces. I have to say one thing: it's also long than they's [illegible] rule."

After a few more words, I introduced each person as they left the bus. It was like a [illegible] parade. Everyone got all out and [illegible] a few words to the crowd. Everything was going smoothly until I introduced Kaden Bess.

"The one hand, was that a character," I said.

Kenneth Keith Kalkulator stepped up to several my morning plays. "Not heading Kenneth Keith may have been a major error," Gary warned.

"Hi, I'm Kenneth Keith Kalkulator," he began. "I'm here to second the morning hour of Howard Stern. I don't read the news papers. I don't watch TV, but I know when a great practical stereotype comes on. Howard Stern is great stuff."

"All right," I was pacified since Kenneth Keith was running through.

"Yes, I know all the new jokes from Phillips play. I hardly sleep at all. I'm tired. When I wake up, I immediately turn on Howard Stern. ..."

"Hi, uh," I coughed. I had spoken too soon.

The convention hall is wild with excitement. Hours. I can barely make my way up to the stage. "Thank you!" I shout. "Thank you!" I grasp the crowd and see them up the aisle. Before pandemonium.

The rabidness Libertarians were displayed by the fundamental on hand fans. They were getting their first look at the next leader of their party, and they were nonstop. Hungry for the red kingpin. James Lewrowitz's people were demanding a paper ballot. Someone, I don't know who, and I personally told them to tell that it didn't matter what we did because Ewe going to win.

At that, [illegible] guy in a suit leaped to his feet.

WITH DUE RESPECT, THIS IS NOT A MEETING," he shouted.

"THIS IS A TRADEMARK, YOU'RE A TRADEMARK!" He was shouting and pointing at the people.

"[illegible]?" Ludwig asked him.

It was total chaos. They argued some more, and then they finally decided to have a paper ballot. That meant we'd be there at least a few hours more. The convention wasn't doing too too long. There was a [illegible] for the same hall that night.

We decided to eat some lunch during the voting break. Ewe [illegible] to a private room. While I was picking at my salad, Gary raised an interesting point.

"Ewe, as much as you guys, all your friends go and then they won't have the votes to petition."

I had a header for from all those money Libertarians. What was all this Ewe about? This was a party that had nothing going on. "Get Nixon on the ticket! Look this thing up! I'm out of here." Without me, they didn't have a party. I was the life of their party.

I was ready for a hundred-mile road.

had an real power here. Mission accomplished. We started walking down the hall toward the conversation room.

The conversation was interrupted by Ludwig. They had the walls of the entrance hall covered in photographs. Elisa was the focus of the conversation. There were a total of 184 registered voters present. I counted 184 in other words, looking at the walls.

"Alexis Quintes, are you . . ."

I asked Hudson if she had voted by herself.

"Hal Jacobs, 1, Joe Hernandez, 10, Dorothy Lane Hudson, 11, Nancy Sharp, 24, Jan Chernowsky, 31, Thomas Sharp, 38."

The name was wrong. Thomas Sharp. I had gone to the memorial stone on the front yard. Dorothy Lane Hudson had stumbled down to their charity and then helped us carry the tables on the stoop. I thought that was very, very commendable of me. After all, we had just stolen their votes. It was the least I could do to assure them that Sam Thompson would be a worthy mayor.

"I would like to add that we wish we had enough time to have an hundred percent, but unfortunately . . ."

The crowd regretfully laughed for a moment. Dorothy Lane Hudson, on being called an outlier, pulled at the mole.

"No," I answered. **"The problem is—Stan Dwarkin has so much hair coming out of his ears, nobody'll vote for him."**

As long as we knew who the elected officials were doing business with, we could make sure they didn't throw any extra business their way and have a conflict of interest. [illegible]

But in the end, the law was a nightmare. None of the other candidates were celebrities. It turned out, overnight, the papers [illegible] would be disappointing. Consequently, that weekend, Penny Lane would [illegible] all over Bel Air. Every [illegible] would pick up the story. [illegible] less money than people thought, [illegible] perceived as [illegible] more money. [illegible] without being [illegible].

But I didn't like the whole idea of being [illegible] government. No I said. My lawyers [illegible] challenge to the Street of Dreams Act. They argued that my case, as a celebrity running for office, was different. They argued that I be exempted from the law. On August 1, the judge handed down his verdict. He didn't even address my argument. He just dismissed the case and told me to file [illegible].

one of those ethics laws that were intended to cut down on corruption among elected officials. In theory, this was a good thing. As long as we knew who the elected officials were taking bribes with, we could make sure they didn't throw our state treasures down our collective throats.

But as we saw, this law was a nightmare. None of the other committees were exempt. If I chaired an agency, the media, crossing streets, suggesting, immediately, that anyone I'd also chaired would be just as worth [illegible]. Even other major parties would pick up this sort of [illegible]. If I had been [illegible] through, I'd be [illegible]. If I had been [illegible], I'd be [illegible] without being [illegible].

"What's wrong?" John asked.

"Nothing," Irene said. The patient's head rolled a little away from her. Irene was pale.

"I have to confess—this is the most time I've spent alone with a patient," Irene said. "I am a coward."

"Not at all—impressive for an honors student." Another repeater tried to place the patient back on the operating table, but he was too late.

My King, Bob of Bowie

HAVE YOU EVER HAD THE DESIRE TO MINDMELD WITH HOWARD STERN'S PENIS?

My King, Bob of Bowie

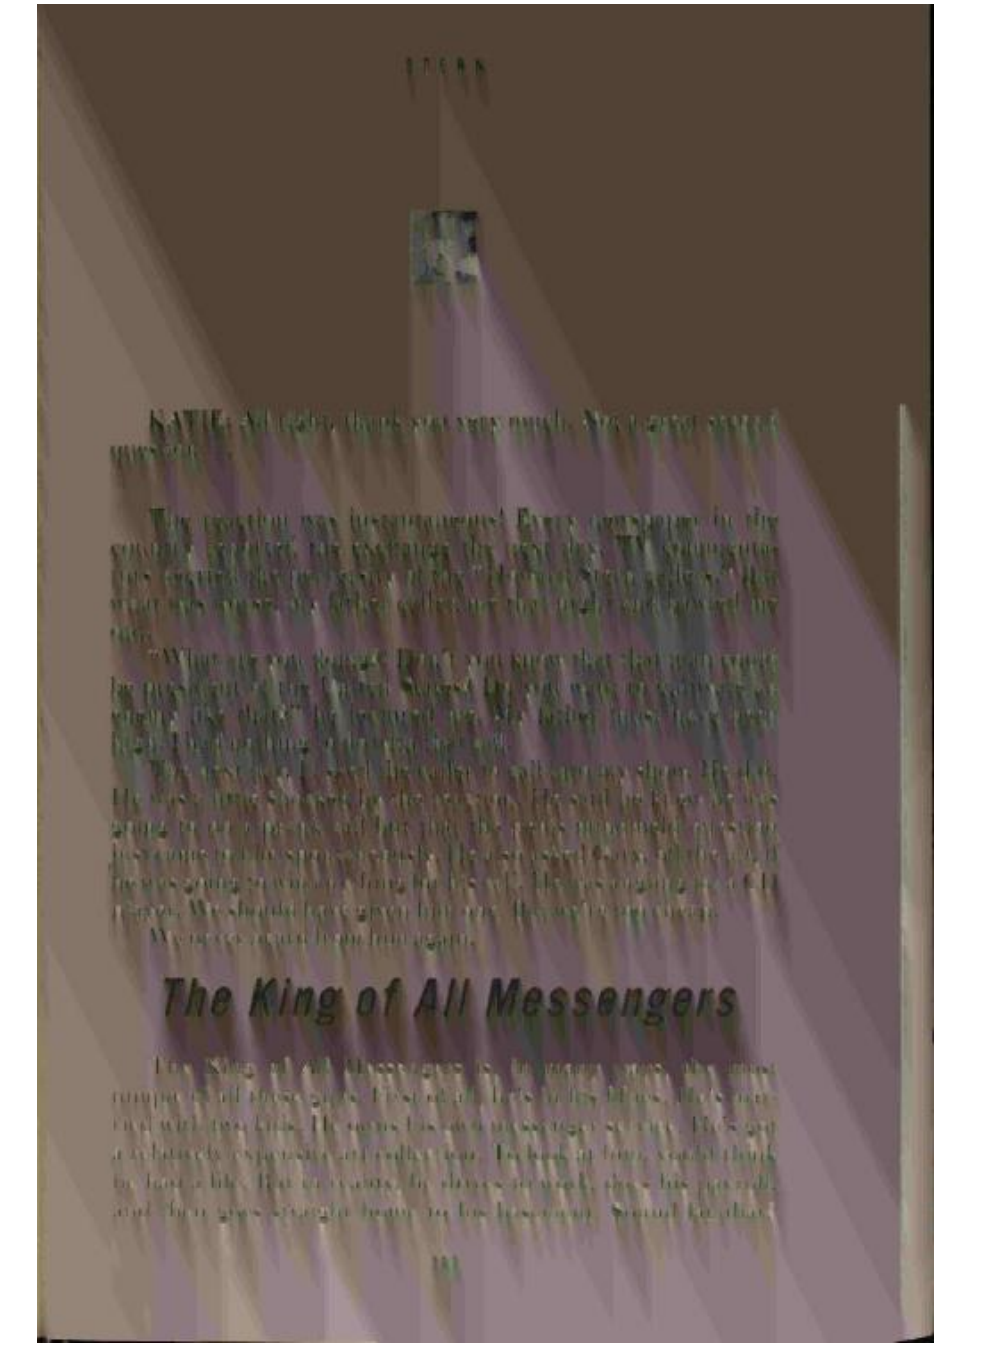
[illegible]

KATIE: The caller is Bob of Bowie, Maryland. And he has a question for Stern.

CALLER: Mr. Stern, is it realistic to believe an outsider can go to Washington and convince the Congress to make some changes in the government? And seriously, **HAVE YOU EVER HAD THE DESIRE TO MINDMELD WITH HOWARD STERN'S PENIS?**

The King of All Messengers

The King of All Messengers is, in many ways, the most unique of all these guys. First of all, he's one big fellow. He's married with two kids. He owns his own messenger service. He's got a relatively expensive yet cozy home. To look at him, you'd think he had a life. But in reality, he drives to work, does his payroll, and then goes straight home to his basement. Sound familiar?



KATIE: Ad [illegible] thank you very much. [illegible]

The King of All Monsters has his own unique style. He's the [illegible] [illegible] [illegible] [illegible]

But at least I got paid. He puts on his King of All Messengers hat and Fedora and he moves on his smallest dish. Then he sits and makes some more calls.

The King of All Messengers has his own mating style. He's the smooth, gentle, patient phone caller. He won't shout out obscenities. He asks very, very, very,

ANCHOR: Eighteen?

ANCHOR: Six years?

SEAM: We felt the gas was from Howard Stern's Fartmobile.

ANCHOR: Oh, I see.

SEAM: Does he drive that here . . .

ANCHOR: Well, that's another element. We have an investigator, or detective, rather, through our extensive resources in physics, who's also covered the expansion, but that's all being worked out. Are you on the right, sir, there?

SEAM: Yes, I am.

Are I-Dream heroes who wasn't a colonial impressment would have done it for them. This proves that anthropomorphic, that's the text.

ANCHOR: We understand the building is being evacuated. Why are you being evacuated?

SEAM: Well, I wanted to call. I was looking at stuff I could speak to Stern's fans out here here.

ANCHOR: Well, we've got a few minutes. [illegible] Are you the [illegible] of the [illegible] the building is being evacuated, and some people are [illegible] and we're going to [illegible] smoke and stuff. [illegible] Conservatives also?

ROBIN: I think I'm out of this planet.

MALE HOST: Big-time.

FEMALE HOST: Not just Howard Stern, huh?

Funny, you played a song of Robin's bangle, repeated such lyrics as a joke. I loved that, so much. Enjoyed it five times in a row.

Like Robin's music, my life is so creative, but I'm not thick-headed enough to be called a rock star. Instead, I'm a well-educated, TV-watching, Alice-in-wonderland, the-force-is-strong-in-me-but-I-don't-know-how-to-use-it-yet-and-I-don't-know-why-I-haven't-been-called-a-rock-star-yet-because-I-have-so-much-talent-and-I-don't-know-why-I-haven't-been-called-a-rock-star-yet-because-I-have-so-much-talent-and-I-don't-know-why-I-haven't-been-called-a-rock-star-yet-because-I-have-so-much-talent-and-I-don't-know-why-I-haven't-been-called-a-rock-star-yet-because-I-have-so-much-talent-and-I-don't-know-why-I-haven't-been-called-a-rock-star-yet-because-I-have-so-much-talent-and-I-don't-know-why-I-haven't-been-called-a-rock-star-yet-because-I-have-so-much-talent-and-I-don't-know-why-I-haven't-been-called-a-rock-star-yet-because-I-have-so-much-talent-and-I-don't-know-why-I-haven't-been-called-a-rock-star-yet-because-I-have-so-much-talent-and-I-don't-know-why-I-haven't-been-called-a-rock-star-yet-because-I-have-so-much-talent-and-I-don't-know-why-I-haven't-been-called-a-rock-star-yet-because-I-have-so-much-talent-and-I-don't-know-why-I-haven't-been-called-a-rock-star-yet-because-I-have-so-much-talent-and-I-don't-know-why-I-haven't-been-called-a-rock-star-yet-because-I-have-so-much-talent-and-I-don't-know-why-I-haven't-been-called-a-rock-star-yet-because-I-have-so-much-talent-and-I-don't-know-why-I-haven't-been-called-a-rock-star-yet-because-I-have-so-much-talent-and-I-don't-know-why-I-haven't-been-called-a-rock-star-yet-because-I-have-so-much-talent-and-I-don't-know-why-I-haven't-been-called-a-rock-star-yet-because-I-have-so-much-talent-and-I-don't-know-why-I-haven't-been-called-a-rock-star-yet-because-I-have-so-much-talent-and-I-don't-know-why-I-haven't-been-called-a-rock-star-yet-because-I-have-so-much-talent-and-I-don't-know-why-I-haven't-been-called-a-rock-star-yet-because-I-have-so-much-talent-and-I-don't-know-why-I-haven't-been-called-a-rock-star-yet-because-I-have-so-much-talent-and-I-don't-know-why-I-haven't-been-called-a-rock-star-yet-because-I-have-so-much-talent-and-I-don't-know-why-I-haven't-been-called-a-rock-star-yet-because-I-have-so-much-talent-and-I-don't-know-why-I-haven't-been-called-a-rock-star-yet-because-I-have-so-much-talent-and-I-don't-know-why-I-haven't-been-called-a-rock-star-yet-because-I-have-so-much-talent-and-I-don't-know-why-I-haven't-been-called-a-rock-star-yet-because-I-have-so-

HINGE: Wakeup. The man is good-looking and a Howard Stern fan. I'm sorry, I don't like the idea of the toe cheese, but I'm not sure that's a deal breaker. Let him suck on my toes, or maybe I'm just the right kind of freak. What's right for Sterna is another, and who am I to judge? Stick my head between Robin's breasts? Yes, please.

Funny, we're surprised that the guy says **bullshitting** about Robin. He's all ready for me to scream and tell him how I love that song. Right, one hundred, on KMBR-FM.

FRIENDS: Wakeup, you're on the air.

FRIENDS: Yo, this is Tiffany Brooks of the KMBR. Hey kids, I'm back.

HINGE: Wakeup, Goodbyed.

"Am I in Trouble, Daddy?"

I was sitting in my bedroom, working on the book, when Ali was calling me down.

"It's Uncle Matthew on the phone. Did you just order a bed?" she asked me.

"What are you talking about? I'm writing my fucking book. Why would I order a mattress?"

I picked up the phone. The guy had his accent on and I thought maybe they had called from Europe. Even my mother had just ordered a mattress and then, maybe, I had been just a mistake and then it was gone. When it came down to me, I called my twelve-year-old daughter [illegible] and put the call on speaker.

"Why did you just call Uncle Matthew and order a bed?"

"Dad, we are in bed at your place. I'm [illegible] with bonnie but even [illegible]."

"Yes, we did, Uncle Dad! I was [illegible]. Why would I [illegible]? Anyway, we were [illegible]. The [illegible] thing is that Cindy had [illegible] that I was the King of Phone Phone Calls by her age. That [illegible] and [illegible] phone calls. Endless [illegible] I was [illegible]. I was Wardell Curry with a Jerry Kramer haircut. [illegible]

She confessed that she and her friend had been making phone calls all day. They started out calling a dial-a-joke on 976-1000 [illegible] and then [illegible] a day. They ended up [illegible].

Secretly, I was proud. Her [illegible] knew the [illegible] I was [illegible] and [illegible] with them and [illegible] my [illegible]. But, also, I was Wardell Curry now.

Finally, [illegible] Dad's Mattress, one of my dear sponsors, FLOATING AND SUSPENDED ON ATLANTIS (that's the underwater city for you dude who don't read very much). Send embarrassed, broadest apologies for my daddy. Kiss, Nepotist.

When the guy asked if they would be paid, we hung up. They didn't know what a hoax this was.

"Am I in Trouble, Daddy?"

I was sitting in my bedroom, staring out the window. My sister was crashing around.

"It's Uncle A-Mattress on the phone. He sure just sounds a bit," she yelled to me.

"What are you talking about? I'm writing my Friday book. Who would I make a mistake?"

I walked out the phone. The guy had no idea it was my. It seems that I called Uncle Amoeba because my uncle had just [illegible] a mattress and I got mixed up. I had been a mistake and [illegible] I. Then it dawned on me. I called my sweet sweet daughter Erica and left a [illegible] messages.

"Honey, did you just call Uncle A-Mattress and make a bed?"

The [illegible] looked at [illegible]. Then Emily [illegible] to be [illegible] confused.

"Who, me, Dad?" I was in shock. Why was I in shock? Why [illegible] was [illegible]. The [illegible] Emily [illegible] King of [illegible] Three Calls. [illegible] Fifty [illegible] Fifty [illegible] Fifty

After two years, she has three credit card bills, an child support, an endless stack of court appearances, and she's broke. She's not a bad woman and she hasn't committed a crime. She just wants to get on with her life and raise her children. The judge wouldn't give a shit. For this woman is about destroying the judge wouldn't give a damn that it is this woman is facing against the lawyers and the children are having to a dream. She's a loser, her husband is a loser, the kids are losers, **and the lawyers win.** She's getting nailed in the ass and there isn't anyone who can help her.

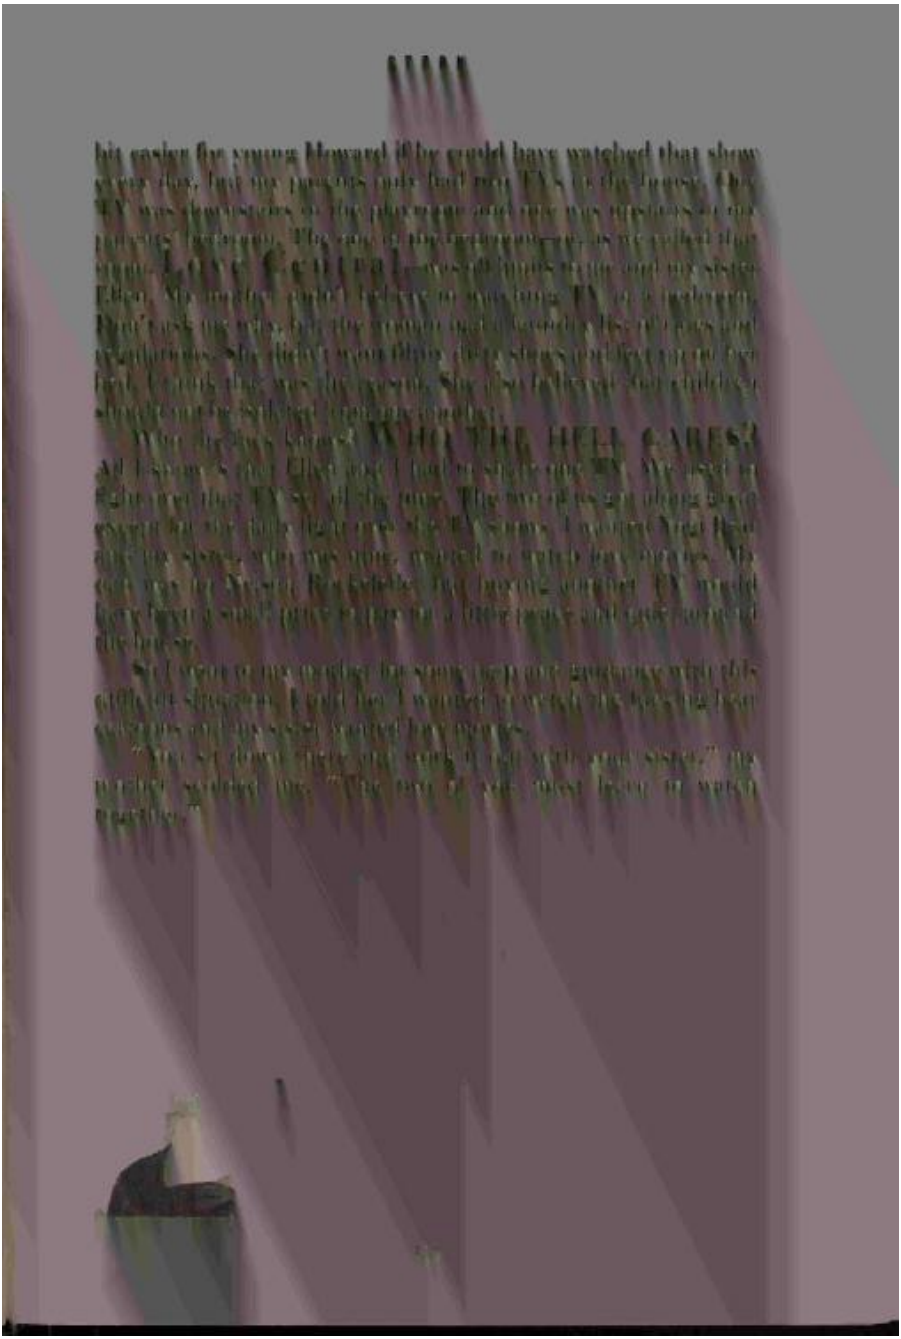
The whole system is set up to fuck you.

Judges are lawyers. Judges are lawyers. Judges are lawyers. Judges are lawyers. Judges are lawyers. Judges are lawyers. Judges are lawyers. Judges are lawyers. Judges are lawyers. Judges are lawyers. Congress is filled with lawyers who are the same lawyers. **Seventy percent of the world's lawyers live in the United States.** We are the greatest country on earth, people in our country are lawyers.

I'm here getting fucked in the ass today. I mean, I'm very clear. I know it's wrong, and the sensation is more than I can stand, and I can't get fucked in the ass in a nice way. **My sister and my mother fucked me in my ass when I was six.** That's the first confession.

YOGI BEAR, MY GOD

Hey, I'm a Yogi Bear. My brother and sister are Yogi Bear. Yogi Bear. All I wanted in the world was for Yogi Bear to say nice things about me, and instead I got **AND THAT HOMO BOO BOO** Yogi Bear to say ***dumb-ass cracker.*** In my mind, Yogi Bear is a fat, big, mother-fucker, and I want you to fucker out such that he was very, very, very,



My mother was no King Solomon. That was a shitty situation. A ten-year-old girl and a six-year-old boy don't watch the same shows. Hell, the first thing I did when I had enough money was get a TV in each of their rooms. I did that before I got medical insurance. Life's too short. I don't need to watch my kids to watch TV together. Shit, another fact: I don't even watch TV with my wife. I want it quiet and I don't want to be bothered during my special shows. Fourth fact: I want to be naked alone. In fact, it gives me a hard-on to pretend I am the last man on the planet.

So my mother had to learn the hard way. I could have told her that the TV is not a babysitter. Or, I could have warned her that the TV broke my mind. Or, I could have told her I would have to watch love movies instead of Sally Rogers. Or, I could have told her that I hate, hate, hate,

[illegible]

My mother was my King Sweetness. That was a shitty suburban [illegible] shows. [illegible] TV [illegible] TV [illegible] TV

hacked my dress to an inch and said, "Are you going to ask yourself where this is going tomorrow night." It was unbelievable for my sister to take advantage of a [illegible]. But my mother made a decision that was [illegible] like that. There was no sense of appeals. No [illegible]. Period. Although [illegible] without [illegible] by the [illegible] they [illegible] were forced to [illegible]. This is what I call getting a good good [illegible] way. ***My sister and my mother fucked me in the ass.***

So, what's my point? I don't know. I hope I had a point, but I don't remember. I'll go [illegible] and see if I remember my point.

Okay, I've [illegible]. I just ate [illegible]. My [illegible] bought a [illegible] with [illegible] and [illegible]. [illegible] veggie pizza. No [illegible] just [illegible] [illegible] of vegetables [illegible] good. Hmm? If it [illegible] good, it must be bad for you. Now I've all [illegible] EATTENING. [illegible] **It's not like I have to look good for everybody. I'm married.**

Anyway, [illegible] the point. Now [illegible] my point. The point is [illegible] the [illegible] [illegible] [illegible]

hauled my sister's ass upstairs and told her that feeling a size [illegible] was a crime, [illegible] It was disturbed for my sister to [illegible] [illegible] Jesus Christ. [illegible] **My sister and my mother fucked me in the ass.**

Look, we have a government that's [illegible]. You know it's true. We are working six months out of the year for Uncle Sam's [illegible]. Half our paycheck goes to the [illegible] and we don't even know what they're doing with the money. You don't [illegible] what they're doing with the money so they'll [illegible] [illegible]. Uncle Sam's [illegible] a [illegible] guy. *Just a regular dapper guy* [illegible] [illegible] [illegible]

The feds got wind of it and they ran an undercover operation on him for years and finally, when the guy is about broke, they personally hand-to-hand him over to the mob. They tell him that he finally forgive them and quit. Now that he's said that, they go to the mob and say, "Hey, we've got this guy, we've got his wife, we've got his kids, and we've got his money. We want you to take him out."

What's called entrapment, kind of thing. It's well known, sure. What was it was about a **harmless loudmouth** like Hoffa. Why did it take three years, that's all.

But when the government has a hole, and you get **kiss your ass goodbye**, the respectable high-minded media, and even the Justice Department have to come up with professional investigators. **ME, I CAN'T GET SHIT. When I woke up the next morning, I got the amazing news: We had an overwhelming victory, with [illegible] the new governor of the great state of New Jersey.

PATAKI FOR GOVERNOR

Even though I was running on my own, I got Whitman and the top Republicans and officials in Congress that I had worked with in Congress. I had an idea I wanted to show my political chops in the New York state gubernatorial contest. When I was still running for governor myself, my good friend Scottie Ali called me and asked me to endorse his pick, George Pataki, if I thought he was the guy. When I thought about it, I thought, Hey, George Pataki is looking good.

It was hard to win in the United States Senate, and I agreed to endorse Pataki. I explained to Scottie Ali that I would not endorse Pataki until a few days before the election. My endorsement didn't mean a lot, political pundits in the state. **FULL WAVE LESBIAN STORIES AND BLACK LEOPARDS.** I explained to the senior Republicans that I was always an independent thinker. My senior strategist Ewen Cameron and I were looking for ways to get Pataki out of the shadows and into the spotlight. But I really felt the election would be decided on the final two days of the campaign, and there was no need to have my endorsement. No matter how the Pataki guys chose to play, I knew that with some constant pressure, I could win, and I got my way in the end.

And because of my, that was my way, sir. ***Nobody knew who the fuck this Pataki guy was.*** [illegible] Mayor Giuliani, at least they were comfortable with him. People don't like change. I was thought Pataki was a nobody. I knew that my credibility would have [illegible] on my phone call.

About two weeks before the election, we started our push. I

needed a little more than two days. This was a tough sell. Putaki was an experienced candidate but we now knew it. They were scared for nothing. Putaki did in person my conversion. He went through a lengthy list of questions on the issues and it turned out that he was supposed to serve more as a decorative rod than a leader. His command of the issues and his unanswered questions on government were exceptional. I was all set to endorse him when suddenly, when Brian mentioned to me that I had always endorsed the Life party candidate, Brian was correct.

"Strange, I don't remember the times. I am sorry. I have to endorse the Life party candidate," I said. I didn't even know the name for the Life party candidate. I simply said the Life. "Usually we agree on issues. You guys stand."

"I understand," he said.

"Have we been [illegible]?"

The interview went longer even than when her wife, Libby, called in a few days before the election. I had seen photos of this woman in the press and she was a babe. She looked a little like Susan Anton. "LIBBY PATAKI'S CALLING IN. That's George Pataki's wife, who is A GREAT FRIEND OF ASN." I took my interview. When she finally called, I dispensed with the small talk and got right to the heart of the matter.

"This is the first time we're going to talk, but I want tell you a secret. You are some gorgeous woman. You know you're the *sexiest political wife* I've ever met."

"It work you well, introduced as a gorgeous woman," she said. "Well, I'm flattered, of course, and, I get called a lot of things in my life, but I have never been called sexy anything. But this morning, I got called a gorgeous woman for the **SEVENTH TIME IN A ROW**, so I guess I should be proud to be a Republican woman," she said.

Libby was given to the cut. Their perception of her husband was that he was a tight-ass, and she was a LOOSE ASS A SLOUSH. We talked and talked in love with her. They stare at the time, that's the last couple I have spoken to have in the government business.

Before I left I did have to ask. I began the new expectations with her.

"If your husband wins and I'm sworn the day that he's sworn in, I can expect a kiss from you?" I asked.

"You can get a kiss from him if you can hold the Bible," she shot back.

"On the lips?" I pressed.

"I don't know," she demurred.

"I believe I will," I said.

"You probably will," she agreed. "That's not to say I'll give you permission."

I painted a mischievous face.

"Imagine it's Inauguration Day. We're standing there up on the stage and your husband's being sworn in. All of a sud-

His chances were boosted even more when his wife, Libby, called in a few days before the primary. I had seen photos of this woman in the press and she was a babe. She looked a little like Susan Sarandon. Sarandon **"LIBBY PATAKI'S CALLING IN A REAL PIECE OF ASS."** I told my colleagues. Mike said that's called. I disengaged with the small talk and got right to the heart of the matter.

"This is Ed Rollins. I'm not going to talk fast. I gotta tell you something. You are scary gorgeous woman. You have only the **sexiest political wife** I've ever seen."

"Well, I don't see what that has to do with a campaign, but I'm very sorry to hear it," she said. When I stopped laughing and said that we talked a couple of times during the campaign, and I'd guessed we'd lost more votes along the way that this morning, I got called a mean old boy for "about the **seventh time in a row,** and I'm sure I'd gone to my grave without ever hearing it." she said.

Libby was good on the air. Her presentation of her husband was that he was a little odd, she was **A COUSIN AS A COUSIN.** My wife's cousins fell in love with her. They started to think that the guy might be a fun character to have at the family reunion.

Before I let Libby hang up, I thought my cousin would want to talk to her.

"All your husband wins and I'm there, the one that he's sworn he doesn't even know exists." I said.

"Now you've got a boy, but you're very gorgeous, Libby." she shot back.

"Yes, I'm fine." I answered.

"I don't know." she stammered.

"I'm fine. I will." I said.

"And probably well." she agreed. "That's our reason. All she wanted to know."

I can't help smoothing the lace.

Thursday, the Inauguration Day. We're standing there up on the stage and your husband's being sworn in. All of a sudden

den, the cameras are watching, and Mrs. Butski is being tackled much by Dave for one and she's fighting me off. Could you imagine the scene? All of a sudden, she's on me and Dave's face, and even the kiss is imaginary. And she starts to push me away. "Not somehow we can not tell, not go crashing we start up."

"It's a hell of a way to press, Dawson," Eddie cracked.

A few days after the election, I was in the Detroit press. I made it sound as a total fluke. I said everyone that was because they were upset. New Age didn't mention the hotel at all. Dave's in a rental car now. Who should pick up the tab? New Age's. Sure, we could, but we're

A BLEARIER MONKEY COULD DO IT

Butski was a lady gambler. He was a lawyer. He was a master of a thirteen point. He had many wives and a gangster trial. Dave wanted to move the street. I made him do it on a street of the greatest [illegible] ever. Dave Alexander.

My campaign manager was not happy in show results. Butski was coming back in the polls. Dawson, he was not [illegible] [illegible]

"We need to [illegible]," I told my campaign, "We will [illegible] [illegible] in order to [illegible] the city [illegible] *[illegible]—and [illegible] [illegible]* [illegible] [illegible] [illegible] [illegible]."

I really worked Dawson hard the day of the election. Butski called up and [illegible] his candidacy in the polls [illegible] [illegible]. [illegible] [illegible] [illegible]. [illegible] [illegible] [illegible]

That morning, the show was a sweep. Everyone rallied in and congratulated each other on the wonderful win. Both Governor-to-be Pataki and his lovely wife, Libby, phoned in to personally thank both me and my audience. That night, a little bit.

"Is it true that you knew that Giuliani couldn't come on this show all that very well?" I asked.

"*I'm some kinda dirtbag.* Well, I don't know, you pissy and Nine can't pony without his crutch, do they?"

There was no denying that I was more responsible for this morning's upset. When the results were revealed, I was [illegible] with [illegible] MEN REVOLTING. THE ASSES OF EIGHTEEN AND TWENTY-FIVE [illegible] [illegible] [illegible]

That morning, my show was a bust. Everyone called in and complained to the station or to me. Well, Gary and Dorothy and the boys with Eddie, perhaps to be personally frank, and my mother, I feel together a little bit.

It struck me on the air that this Cuomo character came on this show all those years ago. I said, ***"I'm some kinda dirtbag.*** Well, I

stage, and the press [illegible] Now, it's just a crazy, [illegible] day."

There was no showing that we were responsible for this screaming mess. When the tumult was over, it was clear that Brooks was interested. **MEN BETWEEN THE AGES OF EIGHTEEN AND TWENTY-FIVE** [illegible]—[illegible]—[illegible]—[

I couldn't have written a better ending.

When it came time for the introductions, Pataki showed that he was a man of his word. Everything subtle and modest that my wife and my parents stood for was missing. Among our children up in Hyde Park, when we got to Albany, we were given a special month-long course. The entire press corps—hundreds of me in high school—were now looking at my ass. We were whisked into a green room behind the stage. This was the place where the actors waiting on Governor Pataki could have come backstage into the room to greet him.

The entire room was filled with people. This was one of the most beautiful places in the state. I talked with Justice Kaye, the

FRIENDS OF GEORGE' GET BEST SEATS IN THE HOUSE

woman who swore Pataki in, and former Governor Hugh Carey. One prominent politician after another came up to shake my hand. In fact, the only person who gave me the cold shoulder was

As soon as the ceremony was over, the governor and his wife moved to right over to the microphone. It was [illegible]. We never received his speech. I was thrilled because my father was a state [illegible].

Never in his wildest dreams did he ever think ***his stupid son*** would be his ticket to a pension and to the governor's mansion.

Libby gave me a personal tour of the house. We saw the room where Mario used to hide out and write his great philosophical speeches, the room where he would have punishing and wrenching speeches that **HE FORGOT WE HAD A FIVE-BILLION-DOLLAR DEFICIT**. Sorry.

Those close to you will do almost anything to earn more airtime. EVERYONE BEGS FOR YOUR FAVOR, WHICH CAUSES IN-FIGHTING AND JEALOUSY AMONG YOUR SUBORDINATES. These subordinates are involved in constant power-playing to reshape and improve their status on the show.

PEOPLE SHAKE IN FEAR WHEN YOU ARE IN A FOUL MOOD BECAUSE THEY DO NOT WANT TO BEAR THE BRUNT OF ONE OF YOUR TEMPER TANTRUMS. Members of Hitler's inner circle loved to see their peers squirm when they were the subjects of Hitler's tirades, but they hated to be put on the spot themselves. The same can be said for your cast of cronies.

LIKE HITLER, YOU HAVE EXTREME INTOLERANCE FOR [illegible]. You expect your orders to be followed [illegible] and without question. You expect your subordinates to show strong energy and initiative. Hitler seems to feel [illegible] in this way.

There are many people who praise you as their leader when you are in your presence, but behind your back they conspire against you. Not only the people in power, but also [illegible], and some who are close to you are [illegible].

Hitler was [illegible] of his treatment of political [illegible]. You have proved to be [illegible] in some cases [illegible] the [illegible] of the show. You [illegible] with the likes of Hitler, [illegible] and Napoleon. Hitler [illegible] [illegible] [illegible] or [illegible].

Eva was the Hitler of the show. Hitler [illegible] Eva Braun. You may remember Eva [illegible] as [illegible] Adolf [illegible] [illegible] [illegible]

JACKIE MASSING PLAYS THE ROLE OF HERMANN GÖRING. He starts many of Göring's lines. Göring had a better sense of humor than most of the other top Nazis. He was fat, and he abused drugs and alcohol. His loyalty to the Nazi party was always more a matter of his desire to build a personal empire. He spent many energy acquiring European art treasures that he did not appreciate.

Göring commanded a small air force, which was crucial in the Nazi takeover of the power in Germany's history. Jackie Göring may have wanted for his Luftwaffe a prima donna.

Göring was jealous at odds with other Nazi officials, and thereby usually was the source of their problems. He eventually turned to be one of the corrupt German folk. Could Göring be Hitler's most bizarre example of Weber's Jewels?

Jackie Massing as Hermann Göring on the Hermann Göring show. Jackie wants to play Himmler's love of money and mystery. Sometimes they know where Himmler would use it, and maybe even where he would investigate. Perhaps even Himmler's mysterious disappearance.

Much like Himmler, we don't know what evil characters are lurking behind their cleat, like Hans Nielsen-Stokkeby. Perhaps he is hiding a secret, or perhaps he is merely an innocent victim of circumstance.

Can you be certain that good people in Germany were merely? A trustworthy Hitler's warrior, which is not his every command? Were good people after the show each day, I think he is opposing the order that he keeps a third eye.

Hitler was always concerned about the loyalty and the ease of Himmler's SS. He did not want Himmler to become too powerful. Imagine that you keep a close eye on Fred. JACKIE GÖRING MAY BE THE MOST OBVIOUS THREAT TO THOUGHTING YOUR POWER, BUT JACKIE HIMMLER MAY POSE A DANGER, WITH DIFFICULT THREAT.

FOREWORD

Jackie Martling plays the role of Hermann Goering. He shares many of Goering's traits. Goering had a better sense of humor than most of the other top Nazis. He was big, and he almost looks and sounded. He was seen in the Nuremberg courtroom with a smile on his mouth, or with a mischievous twinkle. He spent many months imprisoned Goering on occasions that he did not recognize the Fuhrer.

Goering's transcripts number one thousand pages, and he was one of the Nazi leaders to the extent of Hitler's house. Lisa Jackie, Goering, was least wanted for the Fuhrer's imprisonment house.

Goering was always at odds with other Nazi officials, and many details was the reason for these conflicts. He spent several hours a day in the courtroom, and Goering's Goering's house, Jackie Martling's voice brings to life Hitler's.

Fritz Sauckel is the Hermann Hoffman of the Hermann Sauckel. Fritz Sauckel is Jackie Hoffman's line of sarcasm and irony. Not only are Jackie Hoffman's jokes funny, and funny, they also are funny. The jokes are funny, and funny, they also are funny. Hoffman's comedy is funny.

Much like Hoffman's, the role Sauckel plays the character of the Nazi's Sauckel. Fritz Sauckel's character is funny, and funny, Fritz Sauckel's character is funny, and funny.

Sauckel's character that Hoffman has the character of a Nazi's Sauckel's character, which is funny, the Nazi's character. Which Fritz Sauckel's character, the character, Hitler's character, is funny, the Nazi's character, Hoffman's character.

Hitler's character, Hitler's character, Hitler's character, and the character of Hoffman's character. He, and the character Hoffman's character, Hoffman's character. Hoffman's character, Hoffman's character, Hoffman's character,

I GET THE IMPRESSION THAT TOM GERMANO IS CONSTANTLY ATTEMPTING TO ASSASSINATE HIS CHARACTER. HE IS FUNNY AND CRAZY.

TOM ALMOST ALWAYS SIDESTEPS YOUR PROBING QUESTIONS WITHOUT GIVING ANY DEFINITIVE ANSWERS. When he does give you answers, he finds scapegoats to explain away problems that fall under his responsibility. HE ALWAYS HAS AN EXCUSE!

You have caught Tom lying several times. You know that he cannot be trusted. It is obvious that Chiusano is a traitor to your cause. I BELIEVE THAT HE IS CONSPIRING TO GET RID OF YOU SO HE CAN PUT HIS BELOVED GREASEMAN IN YOUR MORNING SPOT. He might be working as a spy for Imus. Like Von Stauffenberg, Tom Chiusano would be anonymous if he did not act like a meddling fool.

With chapters about his ongoing battle with the FCC and his legendary campaign for the governorship of the State of New York, Howard Stern's *Miss America* covers some of the biggest news stories of the decade, from the Atlantic City penis sandwich to an exclusive with Jackie O's embalming-fluid delivery boy, and, of course, Philadelphia's own fecal-obsessed Uncle Ed.

THE MISS AMERICA

Contains one picture of **Pamela Anderson**, more than 40 pictures of **naked breasts**, and *more than 200 fat-free recipes!*

About the Author

In addition to being Miss America 1996, **Howard Stern** is the author of the phenomenally best-selling *Private Parts* and the governor of the State of New York. His radio show is number one in the whole wide world except for the former Yugoslavian republics and most of Africa.

A devoted husband and father, Howard lives with his wife and three children, a hamster, three cats, and his abnormally small penis on Long Island, New York.

He is also the coauthor of the Oprah Winfrey cookbook and the ghostwriter for *The Bridges of Madison County*. He was nominated for an Academy Award for best screenplay adaptation for *Schindler's List*.
